DEPARTMENT OF sPHYSICS

The Department of Physics was established in 1962 in the University Campus, Hazratbal, of the erstwhile Jammu and Kashmir University, Srinagar to impart teaching and training to the students from J & K State leading to the Master's degree in Physics. Prior to the establishment of the Department in the valley, desirous students from the state had to go outside the state to obtain their Master's degree

High Performance Computing Facility

Training Session for the participants will be conducted on the recently installed High computing facility which is the first of its kind in J&K state. Eminent Scientists working on HPC will give training & live demo to the participants for this facility in their own respective research fields
