

Advantages of Online form for CAS

1. An applicant can preview the eligibility & score generated before submitting the form.
2. Information entered in DIQA profile can be imported to CAS form thus helping in filling of the form.
3. If for some reason CAS stage is not passed in current notification, the information entered is all preserved for next notification and applicant has to only update/add new information- no need to enter the whole form again. The information will be preserved till the CAS stage is passed.
4. The online CAS also helps in speedy processing of the CAS case by Recruitment & DIQA by providing automatic score generation, various reports, quick auditing, etc.

Instructions for filling online form for CAS

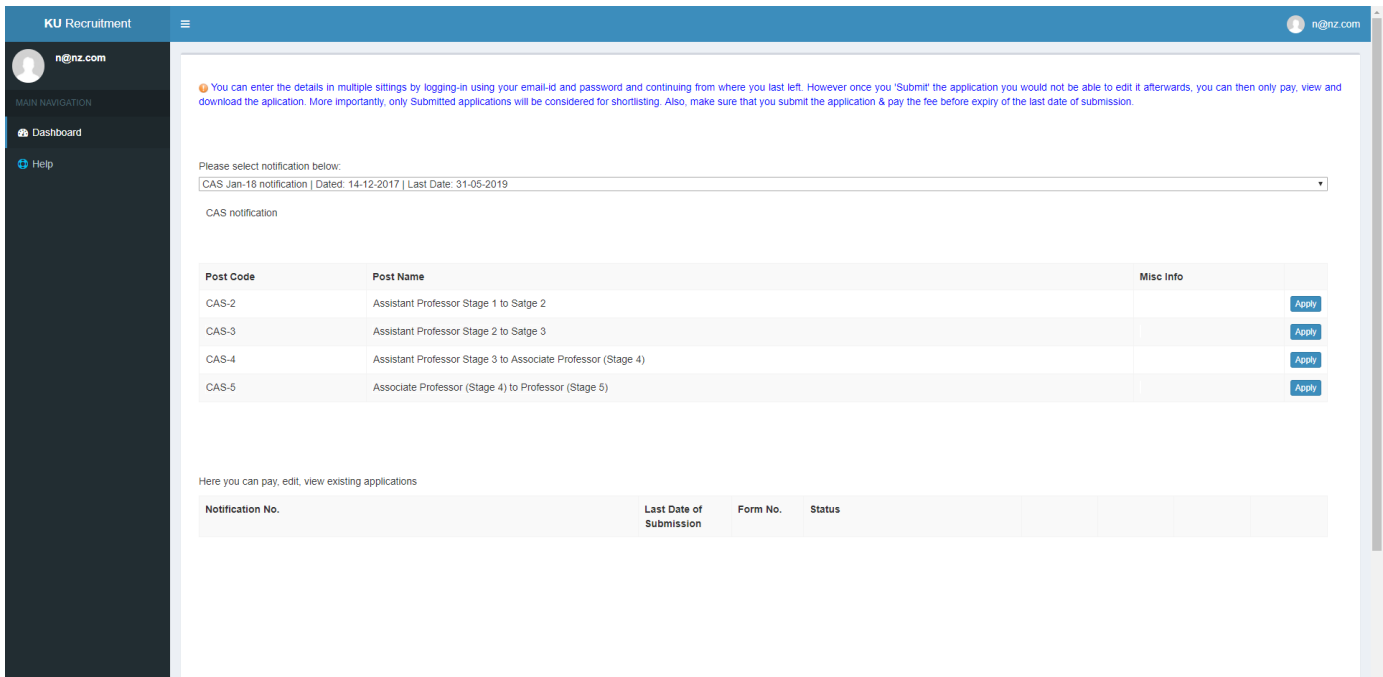

1. If you have already created an account on University of Kashmir Online Recruitment Portal, then you can fill-in your CAS form through that account.
2. In case you are a new user, then you need to create account on University of Kashmir Online Recruitment Portal at the link - <http://kashmiruniversity.net/Recruitment/Main/Register.aspx>

The screenshot shows the 'University of Kashmir Recruitment Portal' website. The header includes the university logo and navigation links for 'Help', 'Notifications', 'Register', and 'Login'. The main content area is titled 'Instructions for applying online' and features a 'Register a new account' form. The form fields include: 'Email-Id' (with an eye icon for visibility), 'Password' (with a lock icon), 'Retype password' (with a refresh icon), and 'Mobile no.' (with a mobile phone icon). Below these fields is a CAPTCHA image showing the characters '17d9L'. A text prompt below the CAPTCHA reads 'Enter the characters as shown in the image above'. A blue 'Register' button is positioned at the bottom right of the form, and a link 'I already have an account' is located at the bottom left.

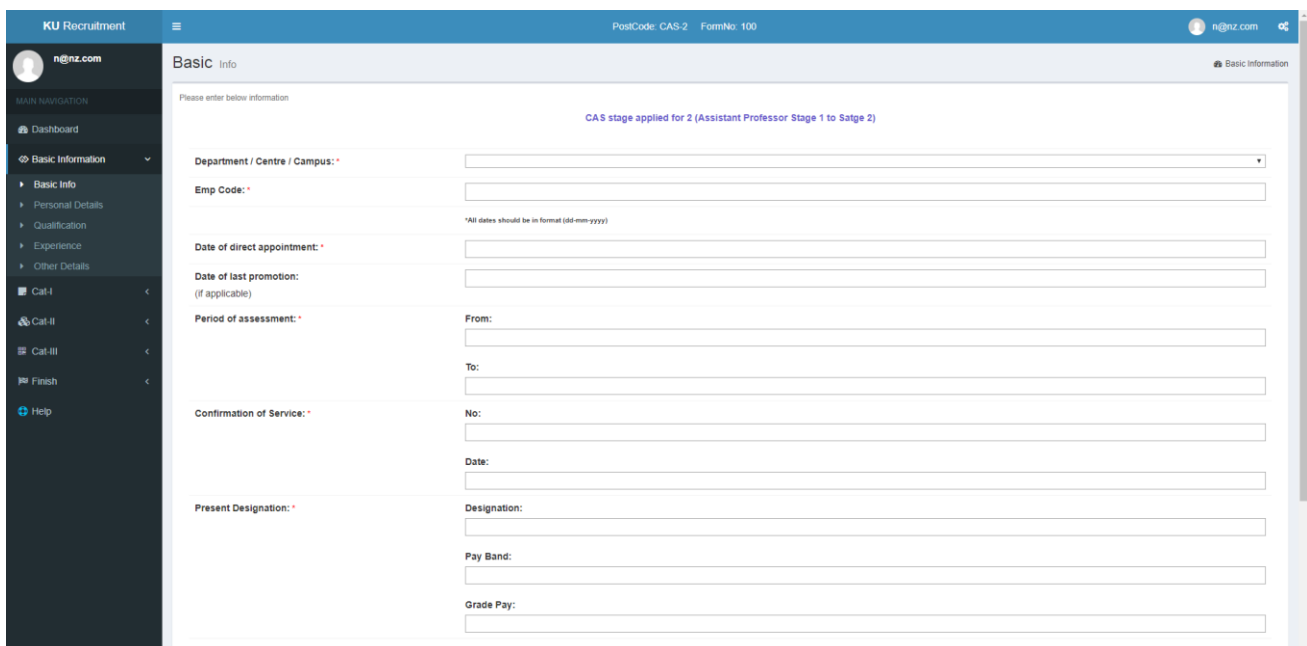

Note: While creating the account please enter active Email-Id and Mobile-No, these will be used for future communications with you.

- Once you create an account or login to an existing account you will land on 'Dashboard'. On Dashboard select the CAS Notification and 'Apply' against appropriate CAS Stage.

Note: You can enter the details in multiple sittings by logging-in using your email-id and password and continuing from where you last left. However once you 'Submit' the application you would not be able to edit it afterwards, you can then only view and download the application. More importantly, only Submitted applications will be considered. Also, make sure that you submit the application before expiry of the last date of submission.

- Once you click on Apply, following screen will be displayed. Start with by first entering the values in Basic Information screen.

5. After entering the information in Basic Information screen enter the information in rest of screens.

Note:
