Dr. Shahid Rasool Bhat Director (on EOL)
Dr. Salima Jan Research Scientist (I/C Director)
Mr. Shafqut Habib Producer
Mr. Ajaz-ul-Haque Producer
Mr. Tariq Abdullah Producer

EMMRC is engaged in production of educational television programmes, documentaries and development of e-content. It provides an excellent opportunity for teachers to generate educational content and helps students to benefit from vast educational resources available within and outside the state. The centre is engaged in research to assess the popularity and utility of ETV programmes besides analyzing the potential and utility of television and other communication technologies for teaching and learning. The Centre also organizes awareness programme in different colleges of J&K to make students and teachers aware about the development and utilization of e-resources and use of ICT in education.

Till date the centre has produced around 2300 ETV programmes, over 1500 multimedia/e-content modules and 1000 Learning objects in the subjects of Botany, Education, Law, Bio-Medical Science, Urdu, English, Philosophy, Psychology, Medical Science, Art and Culture. The Centre has till date bagged 10 National Awards. The Centre completed e-Content development in Botany in 1st phase and in the 2nd phase B.A (Hons) Urdu, B.Sc (Hons) Food Technology, B.A, LLB, B.A (Hons) Education and B.Sc Hons Bio-Medical Science were completed. The Centre has been given additional responsibility to develop MOOCs (Massive Open Online courses) which are available on SWAYAM web portal (Study Web of Active Learning by Young and Aspiring Minds). SWAYAM is a MHRD e-learning initiative with the aim to reach to the wider audience/students. Under this project, various Universities in the country have been given responsibility to develop MOOCs. EMMRC, University of Kashmir is one among the first four players in the development of MOOCs. EMMRC has already developed one MOOC on Genetics – a 4-credit course for Botany at Undergraduate level and 12 more courses will be ready by the end of the year.

The SWAYAMPRABHA has been conceived by Ministry of Human Resource Development (MHRD) as the project for using the (2) GSAT-15 transponders to run (32) DTH channels that would telecast high quality educational programmes on 24x7 basis. Under the Swayam Prabha, EMMRC Srinagar has also been allotted one DTH Channel entitled Life Science Channel under the aegis of UGC-CEC. In this channel, the subjects included are Zoology, Life Science, Bio-Informatics, Microbiology, Botany and Bio-Medical Science. The channel started from 15 August 2016. The students can watch this channel on Doordarshan’s DTH Service (channel No. 133) and also on Dish TV Channel No. 2009. Besides, the ETV programmes produced by the Centre are telecast on Vyas- the higher educational channel of UGC. EMMRC programmes are also available on DD Kashir on every Tuesday and Thursday at 09:30 p.m. Equipped with the latest gadgets of TV production the Centre has shifted from standard definition to high definition technology in terms of cameras and editing suites. Keeping pace with the ever changing trends in the video production technology, EMMRC has procured a high end multimedia lab.

From 2006, the centre in collaboration with CEC also started various part-time online courses. So far number of online courses have been conducted through Eduusat on following themes:

i) Basics of Remote Sensing, GIS and GPS
ii) Digital Library and Information Sciences
iii) Script Writing for Films and Television
iv) Worldwide e-Course on Editing for Films and Television
v) Worldwide e-Course on Marketing Communication and Salesmanship
vi) Remote Sensing on Basics of RS, GIS and GNS

The centre also collaborates with various national/international organizations to create a synergy between industry and academia. In 2008, the centre launched a two-year collaboration project with BBC World Service Trust, for Building Capacity in
Promoting Social Affairs Reporting in Media in Kashmir. In 2009 and 2010, the centre did two major research projects viz., Coverage of Gender Issues in Print Media and Government Information Delivery Mechanism and Technological Development for Ministry of Information and Broadcasting.

To bring University closer to society, the Centre produces weekly television programme, ‘Quest-Kashmir University Video Digest’ telecast on DD Kashir on every Friday at 09:00 p.m. and weekly radio programme, ‘Kashmir University Radio Digest’, broadcast on Radio Kashmir, Srinagar on every Thursday at 08:30 a.m. which highlights the academic activities of the University.

The centre has the expertise to provide consultancy to various agencies for producing documentaries, as well as conduct research in various aspects of media. EMMRC presently has taken up a Consultancy project for producing two-part documentary on ‘Sericulture Development in J&K” for sericulture Department, Govt. of J&K.

Till date various such consultancy programmes have been undertaken. The centre also intends to launch M.Phil and Ph.D programme in Media.

CENTRE FOR CAREER PLANNING AND COUNSELLING

Year of Establishment 2006

Faculty
Dr. Nazir Ahmad Nazir  I/C Director
Mr. Mohd Ayub Shah  Coordinator

The University of Kashmir established the Centre for career Planning and Counseling in 2004 with an aim to help students to attain academic and Career goals. The basic purpose of the Centre has been to provide the students with the opportunity to realize their career potential by exposing them to career planning, career options, decision making skills, occupational information, reinforcement of appropriate work skills and attitudes, to prepare them for various competitive examinations and to provide them a platform for training and placements. To attain the basic purpose the Centre has been working towards the following objectives:

- To provide the services and resources to the students that are essential in their career and educational planning as well as in their job search,
- To provide an integrated platform for the youth to enhance their employability and to provide them placement services;
- To advise any members of academic, administrative or supporting staff on how to help a student who appears to have any problem that has become a constraint for him/her to achieve academic and career goals; and
- To provide information and training for the faculty and administrative staff through staff development programme that will help them to act as academic counselors in different departments/ Units of the university.

Trainings/ Placements: The Centre for Career Planning and Counseling, University of Kashmir has also evolved as a centre for providing comprehensive training and placement support to the students of various streams, within and outside the university. The centre has developed a close liaison with the corporate sector for training and placement of the students. The centre also works in close collaboration with major chambers of trade and industry including Confederation of Indian Industries (CII) and PHD chamber of commerce. Leading public sector companies have visited the centre for training of students from various disciplines. These companies include Tata Consultancy Services (TCS), Oil & Natural Gas Corporation (ONGC), NTPC, BHEL, IYOGI, HCL Info systems, Ligare etc. The objective of these training programmes is to provide comprehensive training to the students and to equip them with necessary skill sets required for their productive employment.
In addition to these training programmes the Centre for Career Planning and Counseling, University of Kashmir has attracted leading business houses of the country for the recruitment of educated youth form the state of Jammu and Kashmir. The main objective of these efforts is to provide a platform to the educated youth wherein they are exposed to the opportunities in corporate India within & outside the state. These efforts also help the centre showcase the talent pool of the state to the corporate India. Some of the leading companies that have visited the centre in recent months include Godrej & Boyce India Ltd; HDFC Bank Ltd; Standard Chartered Bank; Infosys Technologies; Hindustan Unilever Ltd; Yogi (India), Yes Bank; Tata Consultancy Services (TCS), Ligare; Axis Bank; Saint Gobain; HCL Technologies etc. more than 1500 educated youth from the state have been recruited as a result of these placement drives.

Coaching for competitive exams: The Centre has been providing coaching & counseling services not only for the registered students of the University but also to such potential candidates who desire to appear for various competitive examinations like Civil Services, Defence Services, NET/SLET, NEET/JEE, JK-CET. The Centre has conducted 26 Coaching Programmes for Centre and State Civil Services Examinations which were attended by more than 2000 students during the last few years.

As a result of these efforts few students of the Centre qualified Centre Civil Service examinations like IAS and IPS and large number of students qualified Kashmir Administrative services (KAS). In addition to this the Centre conducted a number of workshops and orientation programmes during the period where the participants were educated about various dimensions of civil Service Examinations.

The University of Kashmir through its Registrar has recently signed a MoA with Chanakiya IAS academy for imparting residential coaching covering all the three phases of the UPSC civil service examination (Preliminary, Mains & Personal Interview) which will remain in operational for a period of three years. Besides this Chanakiya IAS Academy will also provide scholarship to 100 applicants which includes 100% Scholarship to top 5 students selected through the Scholarship Test (SUPER 100) Conducted at the University o Kashmir.

Dean Students Welfare

Prof. G N Khaki

Department of Students Welfare functions for the overall benefit and welfare of the student community of the University. It works with a vision, being obsessed with an overwhelming desire to chalk out the issues and remove all the impediments that confront students on their way to their respective developments and success. The Department addresses the social and academic concerns of the students by organizing a wide spectrum of activities and by engaging the student community in positive, meaningful and constructive endeavors. The Department also takes care of the problems, be it curricular, co-curricular & extra-curricular, faced by, and queries and complaints made by the students from time to time.

Student Amenities:
The department works as a backend support for the student welfare activities. Some of the main domains are:

- Provision of Character Certificate.
- Provision of Identity Cards.
- Provision of Bus Facility for Female Students.
- Provision of Railway Concession Forms.
- Educational Tour

In order to acquaint the university students with the required capabilities to face the world outside, and to inculcate in them the skill of learning by experiencing, the department of students welfare organizes educational tours for the students to visit various educational institutions/ universities outside the valley, thereby helping in their up gradation and the reaching out to the horizons.

CAREER COUNSELLING
Keeping in view the problems confronted by the students while opting for their respective careers, the department has come up with an initiative of helping the students choose productive and prospective career. The goal of Career Counseling is to not only help you make the decisions one need to make now, but to give you the knowledge and skills one needs to make future career and life decisions. Career development is more than just deciding on a major and what job you want to get when you graduate.

ANNUAL STUDENTS MAGAZINE
Department of students welfare publishes an annual periodical magazine with the name “GULALA” __ “the budding flower”. Gulala contains various literary and research articles written by students, teachers and research scholars. As the name indicates, it helps the students to inculcate among themselves the qualities of writing and gives their creativity-an expression of thought, directly or indirectly contributing towards their literary development.

EDUCATIONAL TOUR
In order to acquaint the university students with the required capabilities to face the world outside, and to inculcate in them the skill of learning by experiencing, the department of students welfare organizes educational tours for the students to visit various educational institutions/ universities outside the valley, thereby helping in their up gradation by reaching out to the horizons.

SCHOLARSHIPS
The department also facilitates the students belonging to weaker sections of society by assisting them regarding the scholarships provided by the university which includes:
- Scholarship for Specially Abled Students
- Orphans belonging to AAY Category
- Orphans belonging to BPL Category
- Candidates belonging to AAY Category
- Candidates belonging to BPL Category
- Candidates belonging to abandoned/broken family Category

Students Grievance Cell:
The origin of the cell dates back to the inception of the department. This cell works for the redressal of the grievances put forth by the student community in general and that of Kashmir University students in particular. The cell helps the students by acting as a bridge between the university authorities and the students and thereby putting in all the genuine efforts to solve the matters.

Division of Youth Affairs:
The Division of Youth Affairs is responsible for stimulating intellectual discussions among the students by organizing seminars, extension lectures, workshops, youth festivals, film festivals and group discussions. The Division of Youth Affairs is actively engaging the students in promoting the values of fraternity, tolerance and social harmony, so as to uphold the vibrant social fabric of our mother earth.

Various Components are:

- KU Literary Club
- KU Debating Club
- Music Club
- Drama Club
- Art Club
Disability Resource Centre:
Department of Students Welfare, University of Kashmir established centre for specially abled students in February, 2009. Keeping in view the needs and requirements of differently abled students, the centre provides various facilities for specially challenged students within and outside the university system, and thereby helping them to earn a dignified and respectable status and career after the completion of their studies. Special programme like marathons for specially abled, workshops, seminars etc are also being conducted and successfully organized by the centre. Physical & financial Assistance is also provided by the centre.

Equal Opportunity Cell:
This cell owes its presence to the students belonging to schedule tribes, schedule castes, OBC and persons with disabilities. Scholarships and other fellowships are also provided for these students. The main focus behind its establishment is to solve the problems confronted by the students of the minorities.

**Do’s**
- Use polite language and behave with decorum and dignity with the faculty, staff and guests of the University.
- Be regular and punctual for classes and all other activities connected with the University.
- Read notices/circulars displayed on the University Notice Board/Web site on a regular basis. Ignorance of any notice/circular shall not be accepted as an excuse for failing to comply with the directions contained in it.
- All vehicles should be parked in the allotted Parking Space.
- While attending University functions, students/scholars should conduct themselves with dignity to earn respect for themselves and institution.
- Students should take their tests/examinations and assignments of the University seriously and try to give their best.

**Don’t’s**
- All shall desist from indulging in violence and anti-social activities.
- Do not talk or act in a way that brings disrepute to the University.
- Do not gather in groups on the roads, pathways and the entrance of the Administrative building as it is strictly prohibited.
- Do not leave the class or attend it late under the pretext of paying fees or visiting the library etc.
- Smoking and consumption of any kind of alcoholic drinks/drugs inside the University campus is strictly prohibited.
- Damaging any property of the University is strictly prohibited.
- Indulging in Ragging and Eve Teasing are crimes and strictly prohibited by an act promulgated by Govt. of India with the penalty of Rs.10,000/- and two years of imprisonment. If any student indulges in any form of ragging or eve-teasing inside the University premises or outside, She/He will be summarily expelled from the University.
- Misconduct during examination, production of false information or documents for admission purpose and the failure to return materials taken on loan from the University shall be seriously dealt with.
- Use of mobile phones/other electronic gadgets such as iPod, tablets etc. within the classrooms, laboratories, seminar halls and auditoriums is strictly prohibited. Violation of this rule by any student shall result in confiscating these devices besides taking strict disciplinary action.
- Students should not involve themselves either directly or indirectly in any form of politics either inside or outside the University during their enrolment in the University.

Every Student must carry his/ her Student Identity Card with his/her photograph affixed on it and duly attested by the Dean Academic Affairs/ Dean Research.

Use the different resources of the University like the library, computers, laboratory, transport, electricity, and medical services judiciously and effectively.

Report every genuine complaint to the concerned authority (Head of the Department/Dean of School) without fear.

Always strive to keep the Campus green and clean.
