

Department of Botany, University of Kashmir

Walk-in-Interview

The interested and eligible candidates are invited for a walk-in-interview to be held on 7th August, 2017 at 12 noon in the office of the Head, Department of Botany for filling the two positions of Junior Research Fellow available under the DBT sponsored Indo-Canadian project titled “**Biomonitoring of water quality in relation to human health using biosensors and improvements through nanoparticle based purification systems**”. The positions are purely co-terminus with the tenure of the project. The candidate should bring original certificates/transcripts and other documents indicating qualification, percentage of marks in the qualifying examination, age, certificate of having qualified NET and similar accredited tests and research experience in the relevant field on the day of interview. The candidates should be MSc in Botany, Biotechnology or Environmental Science with not less than 55% marks in the qualifying examination. Preference would be given to the candidates with experience of having worked on the project related activities.

No TA/DA shall be paid for appearing in the interview.
