Principal Investigator

Walk-in-interview

The interested and eligible candidates are invited for a **walk-in-interview** to be held on **07 November 2017 (Tuesday) at 11:30 AM sharp** in the office of the Head, Department of Botany for filling a single position of 'Project Fellow' available under the DST sponsored project entitled "**Integrated analysis of metabolome and transcriptome of genus Rheum to decipher the biosynthesis of key bio-active constituents of therapeutic significance**". The position with monthly stipend of **Rs. 12,000 (consolidated)** is purely co-terminus with the tenure of the project. The fellow is expected to take an active role in field trips for sample collections and short term visits to other labs within India for project related work (if and when required). The candidates should bring original copies of all the related documents to be furnished at the time of interview.

The candidate should be M. Sc. in Botany with at least 55% marks. NET/SET would be desirable, but not necessary qualification and specialization in Molecular Biology shall be an edge. Candidates must email their CV including a brief statement of their research interests and future goals to drshahzad@uok.edu.in in well advance. Queries, if any, can be addressed to the concerned PI.

No TA/DA shall be paid for appearing in the interview.
