CIRCULAR

The Power Development Department has issued a circular stating that there will be a shut down of Feeder (F-1 & F-2) supplying electricity to Hazratbal i.e. University and NIT on 15-06-2019 to carry out essential branch cutting of trees in order to avoid any faults. In this connection the electricity to the campus shall remain off from the said feeder on 15-06-2019 from 10.00 am to 4.00 pm so that branch cutting of trees is carried out in the Campus as well.

Executive Engineer

Copy to the:-

1. All concerned.
2. Director Landscape for information with the request to direct the concerned to carry out the branch cutting of trees in the Campus in consultation with field staff of PDD as well as Construction Division.
3. File
