ScienceDirect is a full-text database offering journal articles and book chapters from more than 2,500 peer-reviewed online journals to help users discover more novel science, use their time efficiently, and make decisions with the highest-quality scientific information. This database uses a federated search mechanism, which is a single search portal to search and retrieve results from several electronic resources at once. As such, all the faculty members / scholars / students of all the Departments/ Centres/ institutes/ campuses are requested to access this resource at <https://www.sciencedirect.com/> during the subscription period and take maximum benefit of its contents for their research and study.

A link for accessing all the collection is available at our Library website (<http://ail.uok.edu.in/>) under the E-Resources menu for access of the collection from anywhere & anytime through Remote Access facility.

Therefore, all Heads/ Directors/ Coordinators of various Departments/ Centres/ institutes/ campuses of the University of Kashmir are requested to inform their respective faculty members, research scholars and students about the access to huge collection of ScienceDirect online journals collection and display this circular on their **NOTICE BOARDS** for its wide publicity.
