Sub: - Identification of Online PG Courses from SWAYAM Platform.

SWAYAM (*Study Web of Active Learning by Young and Aspiring Minds*) is a GoI initiative for Free Online Education hosting hundreds of MOOCs courses with a mission to achieve access, equity and quality in Education. Pertinently, the UGC Regulations have often emphasized that **20% of courses** in every semester can be taken by students from SWAYAM Platform and that Universities are mandated to recognize the credits of those 20% courses. In a recent communication from MHRD, GoI, dated 15-5-2020, the University has been asked to peruse the list of MOOC Courses and take appropriate action for introduction of these online Courses through SWAYAM Platform for the benefit of students after approval of the various academic bodies of the University as per the Credit Framework Regulations 2016 issued by UGC.

Consequently, and to initiate the process, all the Heads/Directors of Departments/Centers/Principals are impressed upon to kindly constitute a committee of two faculty members along with the Academic Counselor of the Department to look at their PG curriculum and find the equivalent PG courses in SWAYAM (www.swayam.gov.in/explorer) which are relevant to their discipline. The committee shall prepare a list of all those equivalent and relevant courses in the below given format and forward the same to the office of undersigned on email: cbcsuok@gmail.com by **25-05-2020** positively.
