

UNIVERSITY OF KASHMIR
NAAC Accredited Grade "A+"

OFFICE OF THE DEAN COLLEGE DEVELOPMENT COUNCIL

CIRCULAR

The Audit Party from the office of Principal Accountant (General Audit) J&K UT while conducting physical verification of affiliated colleges of Jammu University and the records made available to it, pointed out that in majority of colleges (Govt. as well as Non-Govt.), the infrastructure and the teaching staff is not as per UGC / University Statutes and norms prescribed by the concerned regulatory / statutory bodies.

Taking a lead from this development and to avoid any adverse reporting by the Audit Committee, it is being impressed upon all the colleges affiliated with our University to ensure that the regulations related to physical infrastructure and manpower is adhered to in letter and spirit. For the convenience of the affiliated colleges, the checklist of minimum requirements is available on our website which shall have to be adhered fully in the interest of all stakeholders particularly the student community.
