Writing/Editing
Leadership
Teamwork

Summary

I believe not in quantitative competition, but qualitative development. To me, development lies in constantly aspiring to be a better version of myself- better teacher, better researcher & above all, better person. I possess impressive communication and leadership skills that help inspire my students and influence my peers for a **positive work atmosphere**- the culture most needed in institutions today.

Work Experience

Assistant Professor, University of Kashmir, North Campus, Delina
October 2012 - Present

- Teaching-learning, project guidance (B.Tech) and curriculum development.
- Actively involved in counselling/coaching sessions and induction programmes for student co-curricular development.
- Follow a practice of collecting personal level feedback from students for constant improvement.
- Served in important committees for recruitment, BOS, etc.

Relationship Executive- IT (Strategy & Business Development Div),
Jammu & Kashmir Bank, Corporate Headquarters, Srinagar
August 2010 - October 2012

- Assumed key IT related assignments including e-banking, m-banking, payment gateway integration, etc.
- Assisted in formulating business plans/annual reports and also attended national conferences.

Technical Support Officer, HCL (BPO Services), Noida, NCR
December 2007 - February 2008

- Completed the *Voice & Accent Training* round before schedule owing to my language fluency and clarity.
- Provided technical support for overseas customers with hardware, software and network issues.
