University of Kashmir

Message

Since its inception, University of Kashmir has risen to become one of the most vital Academic Institutions, owing to its expansion and continuous academic excellence. The A+ grade obtained by the University during the NAAC assessment in the year 2019 is a testimony to our academic excellence. In tune with its mission & vision, the University of Kashmir is transforming the education system to meet the emerging challenges.

Our qualified and experienced faculty is the key in nurturing a learning environment we have wrought in our university. Our faculty is actively involved not just in academics, but also is research, governance and consultancy to ensure that the curriculum is constantly enhanced, augmented and kept at par with the current organizational demands.
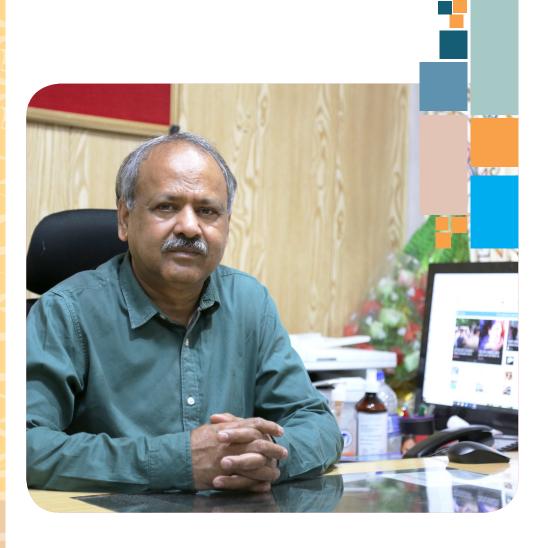

This University Campus, along with all its satellite campuses, embarks on a journey to build a remarkable rapport across the globe. I believe that the hard work, dedication and determination are the most important traits in a person that lead to success, I appeal to students to work hard and take advantage of the opportunities provided to them by the University and involve themselves in the curriculum as well as extracurricular activities that they offered.

The future belongs to our youth, therefore, they must prepare for an active participation in the world to develop themselves like a pioneer and ultimately grow as responsible men and women.

I look forward to welcome the admission seekers with the hope that bright students will join the University family for a memorable journey of quality education & Learning.

Prof. Talat Ahmad

PROSPECTUS 2020-2020

Mess**a**ge

University of Kashmir situated on the banks of world famous Dal Lake, is one of the oldest and fastest growing Universities which has gained momentum in the recent past by achieving excellent rankings viz., QS BRICS 2019, Rank 51; NIRF 2019, Rank 51 and above all it is now NAAC accredited A+ University. It has been possible by the hard work and dedication of our faculty , students and non teaching staff. The university strongly focuses on Access, Equity, Quality, Affordability, Accountability, skill development and entrepreneurship. It is committed to improve the quality of education to achieve excellence in the global scenario through impressive and high quality research and education. The University offers around 51 programs to the students under Choice based Credit System scheme through ten Schools of studies. The choice base credit system enables the student to select the courses among the subjects from different schools. It is one of the preferred Universities which is evident from the fact that it received almost 36000 admission forms during the year 2018. Many foreign nationals are also applying for different courses through ICCR. During previous year as many as 41 students applied for the admission to various courses.

The University of Kashmir hasn't only excelled in the field of academics but in the field of research as well with world class publications, patents filed and impressive H- Index. Much of the research conducted at the University is of an interdisciplinary nature and because of our interdisciplinary collaborations across, broad disciplinary range and state of art art research facilities; we are well-equipped to tackle complex national and global challenges.

The prospectus for the year 2020 is available for the students which has detailed information regarding the various programmes offered by the University of Kashmir for the year 2020. The university is a place full of possibilities, promise and people determined to make a difference. You shall be part of something bigger here and when you leave, you will be ready to change the world. I wish good luck to the students applying for various programmes and I welcome the students in advance to the University of Kashmir. Because you are a Spartan, and Spartans do.

From **Directors** Desk

University of Kashmir ranked recently as A+ grade is the fastest growing University in the northern part of India with picturesque beauty in the lap of valley along the banks of the Dal Lake. Every year the process of the admission lets in the sharpest minds through the process of selection through the entrance examination in Post Graduate and some professional undergraduate courses. Our University ensures to highlight potential to each individual student to prepare them to cope up with the high level of performance in the contemporary stressful corporate world. We inculcate in students the habit of lateral and innovative thinking, reading habit, research orientation, decision making capability along with nurturing and developing physical and mental strength to sustain and excel under any situation. University of Kashmir offers admission in as many as 51 courses comprising the professional, non-professional, skill development courses and even music and fine arts. The Directorate of the Admissions and Competitive Examinations is committed to the fair selection in every possible transparent manner. As director of Admissions I wish best of luck to the aspirants for the upcoming entrance examination and I pray for the safety of students in this pandemic situation and request you all to follow the standard operating procedures in letter and spirit.

DDU KAUSHAL KENDRA

Realizing the need to boost vocational education on a larger scale, the University Grant Commission(UGC) proposes to establish 'Deen Dayal Upadhyaya Centres' for Knowledge Acquisition and Up-gradation of Skilled Human Abilities and Livelihood (KAUSHAL)' during the XII plan period. These centres would take-up the vocational education to new levels and offer industry and skill oriented B.Voc degree programmes. The UGC offered the scheme to University of Kashmir to take on the vocational education to new level in Jammu and Kashmir. The Directorate has been given the significant responsibility to start B.Voc undergraduate Degree Courses under UGC sponsored scheme DDU KAUSHAL Kendra with the aim to create skilled man-power for industry requirements at various levels. Accordingly, the B.Voc degree programmes in Automotive Technology and Electronic Media has been started from 2019 by DDU KAUSHAL Kendra, University of Kashmir. Besides frequent industry exposure visits, the students get opportunity to interact and learn from professionals and experts from the field.

EDUCATIONAL MULTIMEDIA RESEARCH CENTRE (EMRC)

Year of Establishment 1986

Faculty

Dr. Shahid Rasool Bhat	Professor (on Deputation)
Dr. Salima Jan	Director
Mr. Shafqut Habib Hafiz	Producer
Mr. Tariq Abdullah	Producer
Mr. Ajaz-ul-Haque	Producer
Er Muzaffar Ahmad Dar	Assistant Engineer

EMMRC is engaged in production of educational television programmes, documentaries and development of e-content. It provides an excellent opportunity for teachers to generate educational content and helps students to benefit from vast educational resources available within and outside the state. The centre is engaged in research to assess the popularity and utility of ETV programmes besides analyzing the potential and utility of television and other communication technologies for teaching and learning. The Centre also organizes awareness programme in different colleges of J&K to make students and teachers aware about the development and utilization of e-resources and use of ICT in education.

Till date the centre has produced around 2300 ETV programmes, over 1500 multimedia/e-content modules and 1000 Learning objects in the subjects of Botany, Education, Law, Bio-

Medical Science, Urdu, English, Philosophy, Psychology, Medical Science, Art and Culture. The Centre has till date bagged 10 National Awards. The Centre completed e-Content development in Botany in 1st phase and in the 2nd phase B.A (Hons) Urdu, B.Sc (Hons) Food Technology, B.A, LLB, B.A (Hons) Education and B.Sc Hons Bio-Medical Science were completed.

The Centre has been given additional responsibility to develop MOOCs (Massive Open Online courses) which are available on SWAYAM web portal (Study Web of Active Learning by Young and Aspiring Minds). SWAYAM is a MHRD e-learning initiative with the aim to reach to the wider audience/students. Under this project, various Universities in the country have been given responsibility to develop MOOCs. EMMRC, University of Kashmir is one among various institutions in the development of MOOCs. The SWAYAMPRABHA has been conceived by Ministry of Human Resource Development (MHRD) as the project for using the (2) GSAT-15 transponders to run (32) DTH channels that would telecast high quality educational programmes on 24x7 basis. Under the Swayam Prabha, EMMRC Srinagar has also been allotted one DTH Channel entitled Life Science Channel under the aegis of UGC-CEC. In this channel, the subjects included are Zoology, Life Science, Bio-Informatics, Microbiology, Botany and Bio-Medical Science. The channel started from 15 August 2016. The students can watch this channel on Doordarshan's DTH Service (channel No. 133) and also on Dish TV Channel No. 2009. Besides, the ETV programmes produced by the Centre are telecast on Vyas- the higher educational channel of UGC. EMMRC programmes are also available on DD Kashir on every Tuesday and Thursday at 09:30 p.m. Equipped with the latest gadgets of TV production the Centre has shifted from standard definition to high definition technology in terms of cameras and editing suites. Keeping pace with the ever changing trends in the video production technology, EMMRC has procured a high end multimedia lab.

From 2006, the centre in collaboration with CEC also started various part-time online courses. So far number of online courses have been conducted through Edusat on following themes:

i) Basics of Remote Sensing, GIS and GPS
ii) Digital Library and Information Sciences
iii) Script Writing for Films and Television
iv) Worldwide e-Course on Editing for Films and Television
v) Worldwide e-Course on Marketing Communication and Salesmanship
vi) Remote Sensing on Basics of RS, GIS and GNS

The centre also collaborates with various national/international organizations to create a synergy between industry and academia. In 2008, the centre launched a two-year collaboration project with BBC World Service Trust, for Building Capacity in Promoting Social Affairs Reporting in Media in Kashmir. In 2009 and 2010, the centre did two major research projects viz., Coverage of Gender Issues in Print Media and Government Information Delivery Mechanism and Technological Development for Ministry of Information and Broadcasting.

To bring University closer to society, the Centre produces weekly television programme, 'Quest-Kashmir University Video Digest' telecast on DD Kashir on every Friday at 09:00 p.m. and weekly radio programme, 'Kashmir University Radio Digest', broadcast on Radio Kashmir, Srinagar on every Thursday at 08:30 a.m. which highlights the academic activities of the University.

The centre has the expertise to provide consultancy to various agencies for producing documentaries, as well as conduct research in various aspects of media. EMMRC presently has taken up a Consultancy project for producing two-part documentary on 'Sericulture Development in J&K" for sericulture Department, Govt. of J&K.

Till date various such consultancy programmes have been undertaken. The centre also intends to launch M.Phil and Ph. D. programme in Media.

CENTRE FOR CAREER PLANNING AND COUNSELLING

Year of Establishment   2006

Faculty

Dr. Mohd Shafi Sofi   I/C Director
Mr. Mohd Ayub Shah   Coordinator

The University of Kashmir established the Centre for career Planning and Counseling in 2004 with an aim to help students to attain academic and Career goals. The basic purpose of the Centre has been to provide the students with the opportunity to realize their career potential by exposing them to career planning, career options, decision making skills, occupational information, reinforcement of appropriate work skills and attitudes, to prepare them for various competitive examinations and to provide them a platform for training and placements. To attain the basic purpose the Centre has been working towards the following objectives:

To provide the services and resources to the students that are essential in their career and educational planning as well as in their job search,

To provide an integrated platform for the youth to enhance their employability and to provide them placement services;

To advise any members of academic, administrative or supporting staff on how to help a student who appears to have any problem that has become a constraint for him/her to achieve academic and career goals; and

To provide information and training for the faculty and administrative staff through staff development programme that will help them to act as academic counselors in different departments/ Units of the university.

Trainings/ Placements: The Centre for Career Planning and Counseling, University of Kashmir has also evolved as a centre for providing comprehensive training and placement support to the students of various streams. within and outside the university. The centre has developed a close liaison with the corporate sector for training and placement of the students. The centre also works in close collaboration with major chambers of trade and industry including Confederation of Indian Industries (CII) and PHD chamber of commerce. Leading public sector companies have visited the centre for training of students from various disciplines. These companies include Tata Consultancy Services (TCS), Oil & Natural Gas Corporation (ONGC), NTPC, BHEL, IYOGI, HCL Info systems., Ligare etc. The objective of these training programmes is to provide comprehensive training to the students and to equip them with necessary skill sets required for their productive employment.

In addition to these training programmes the Centre for Career Planning and Counseling, University of Kashmir has attracted leading business houses of the country for the recruitment of educated youth form the state of Jammu and Kashmir. The main objective of these efforts is to provide a platform to the educated youth wherein they are exposed to the opportunities in corporate India within & outside the state. These efforts also help the centre showcase the talent pool of the state to the corporate India. Some of the leading companies that have visited the centre in recent months include Godrej & Boyce India Ltd; HDFC Bank Ltd; Standard Chartered Bank; Infosys Technologies; Hindustan Unilever Ltd; Yogi (India), Yes Bank; Tata Consultancy Services (TCS), Ligare; Axis Bank; Saint Gobain; HCL Technologies etc. more than 1500 educated youth from the state have been recruited as a result of these placement drives.
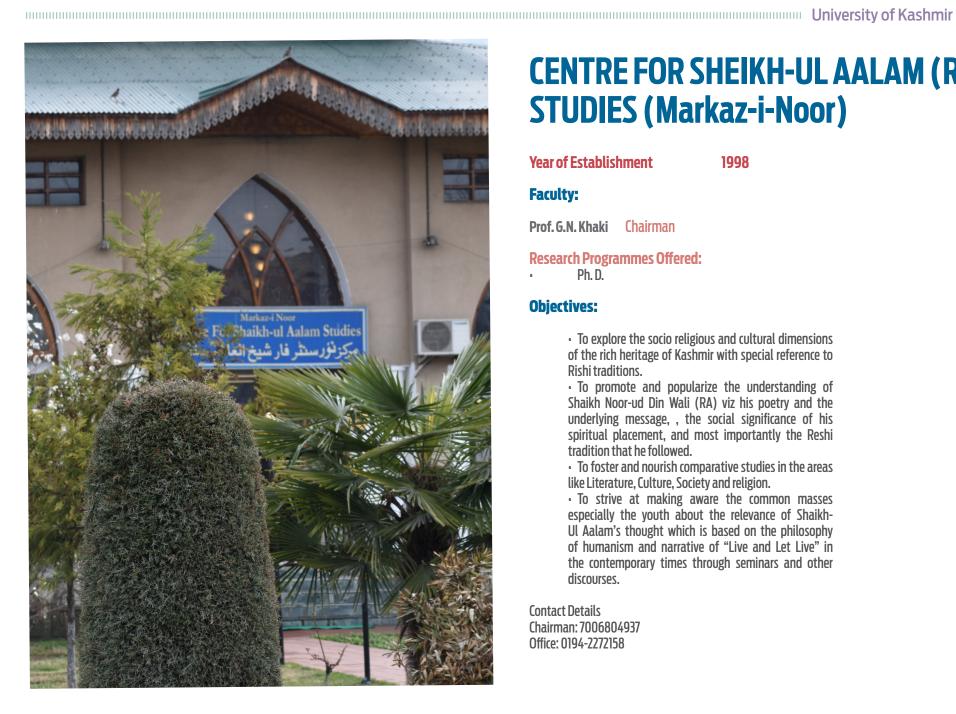

Coaching for competitive exams.: The Centre has been providing coaching & counseling services not only for the registered students of the University but also to such potential candidates who desire to appear for various competitive examinations like Civil Services, Defence Services, NET/SLET, NEET/JEE, JK-CET. The Centre has conducted 26 Coaching Programmes for Centre and State Civil Services Examinations which were attended by more than 2000 students during the last few years.

As a result of these efforts few students of the Centre qualified Centre Civil Service examinations like IAS and IPS and large number of students qualified Kashmir Administrative services (KAS). In addition to this the Centre conducted a number of workshops and orientation programmes during the period where the participants were educated about various dimensions of civil Service Examinations.

The University of Kashmir through its Registrar has recently signed a MoA with Chanakiya IAS academy for imparting residential coaching covering all the three phases of the UPSC civil service examination (Preliminary, Mains & Personal Interview) which will remain in operational for a period of three years. Besides this Chanakya IAS Academy will also provide scholarship to 100 applicants which includes 100% Scholarship to top 5 students selected through the Scholarship Test (SUPER 100) Conducted at the University o Kashmir.

DIRECTORATE OF INTERNAL QUALITY ASSURANCE

Dr. Anwar-Ul- Hassan | Director

DIQA, as an internal organ, provided support and help to bring in qualitative change in the activities in quality enhancement policies.

University of Kashmir has traversed a long way and carved a name for itself in the higher education. We are in a process of continuously upgrading ourselves to build the brand name for the University. The process of introspection, innovation and improvement has helped us to build a perspective plan for spreading education in a meaningful way. The May, 2019 NAAC Peer Team visit to the University, for assessment and accreditation, is reflective of our effort that earned "Grand-A+" to the University.

The DIQA exposes the potential of University and Voluntarily applying every year for National Institutional Ranking Framework (NIRF) and World QS Ranking for BRICS Universities, with the aim to make it possible to come within top Universities of the country and abroad. The results of which certainly help the University to know its standing better and accordingly attract more research and academic funding for various discourses.

DIQA highlights activities, achievements and contribution of University of Kashmir through its publications vis-à-vis University Annual Report, Annual Quality Assurance Report, Statistical Report etc. The continuous uploading of data for all India Survey on Higher Education (AISHE) on MHRD's Web portal provides statistical information of University and its affiliated colleges to various national agencies and Union Ministries.

DIQA always welcomes the valuable suggestions and feedback of any kind to improve the Internal Quality of the University.

DIQA functions with the following objectives:

- To maintain highest possible quality standards in teaching and research through critical self appraisal and standard external evaluation.
- To ensure that high standards are followed in selection and promotion of teachers in tune with the UGC regulations and without compromising with globally set benchmarks.
- To present the University in terms of its contribution at various forums through the production of important reports such as Annual Report, Quality Assurance Report, Statistical Digest etc.
- To conduct peer reviews and consistent feedback from all the stakeholders, especially students, in order to stimulate academic environment of teaching-learning and research.
- To document and divulge quality and reliable information to its stake holders and policy making agencies for appropriate decision making and deployment of resources to improve institutional functioning.

The DIQA is guided by an Advisory Board under the chairmanship of Vice-Chancellor. The DIQA has a representative in each Department/ Centre/ Satellite Campus/ Administration/ Examination, etc. in the form of a Nodal Officer who assists in consolidation of Departmental activities in coordination with the Directorate.

Dean Students Welfare

Professor Raies Ahmad Qadri   DSW

Department of Students Welfare functions for the overall benefit and welfare of the student community of the University. It works with a vision, being obsessed with an overwhelming desire to chalk out the issues and remove all the impediments that confront students on their way to their respective developments and success. The Department addresses the social and academic concerns of the students by organizing a wide spectrum of activities and by engaging the student community in positive, meaningful and constructive endeavors. The Department also takes care of the problems, be it curricular, co-curricular & extra-curricular, faced by, and queries and complaints made by the students from time to time.

Student Amenities:

The department works as a backend support for the student welfare activities. Some of the main domains are:

Provision of Character Certificate.
Provision of Identity Cards.
Provision of Bus Facility for Female Students.
Provision of Railway Concession Forms.
Educational Tour

In order to acquaint the university students with the required capabilities to face the world outside, and to inculcate in them the skill of learning by experiencing, the department of students welfare organizes educational tours for the students to visit various educational institutions/ universities outside the valley, thereby helping in their up gradation and the reaching out to the horizons.

CAREER COUNSELLING

Keeping in view the problems confronted by the students while opting for their respective carriers, the department has come up with an initiative of helping the students choose productive and prospective career. The goal of Career Counseling is to not only help you make the decisions one need to make now, but to give you the knowledge and skills one needs to make future career and life decisions. Career development is more than just deciding on a major and what job you want to get when you graduate.

ANNUAL STUDENTS MAGAZINE

Department of students welfare publishes an annual periodical magazine with the name "GULALA" _ "the budding flower". Gulala contains various literary and research articles written by students, teachers and research scholars. As the name indicates, it helps the students to inculcate among themselves the qualities of writing and gives their creativity-an expression of thought, directly or indirectly contributing towards their literary development.

EDUCATIONAL TOUR

In order to acquaint the university students with the required capabilities to face the world outside, and to inculcate in them the skill of learning by experiencing, the department of students welfare organizes educational tours for the students to visit various educational institutions/ universities outside the valley, thereby helping in their up gradation by reaching out to the horizons.

SCHOLARSHIPS

The department also facilitates the students belonging to weaker sections of society by assisting them regarding the scholarships provided by the university which includes:
Scholarship for Specially Abled Students
Orphans belonging to AAY Category.
Orphans belonging to BPL Category.
Candidates belonging to AAY Category
Candidates belonging to BPL Category
Candidates belonging to abandoned/ broken family Category

Students Grievance Cell:

The origin of the cell dates back to the inception of the department. This cell works for the redressal of the grievances put forth by the student community in general and that of Kashmir University students in particular. The cell helps the students by acting as a bridge between the university authorities and the students and thereby putting in all the genuine efforts to solve the matters.

Division of Youth Affairs:

The Division of Youth Affairs is responsible for stimulating intellectual discussions among the students by organizing seminars, extension lectures, workshops, youth festivals, film festivals and group discussions. The Division of Youth Affairs is actively engaging the students in promoting the values of fraternity, tolerance and social harmony, so as to uphold the vibrant social fabric of our mother earth.

Various Components are:

                KU Literary Club
                KU Debating Club
                Music Club
                Drama Club
                Art Club
                Film Club
                KU RED RIBBON CLUB
                RED CROSS UNIT

Disability Resource Centre:

Department of Students Welfare, University of Kashmir established centre for specially abled students in February, 2009. Keeping in view the needs and requirements of differently abled students, the centre provides various facilities for specially challenged students within and outside the university system, and thereby helping them to earn a dignified and respectable status and career after the completion of their studies. Special programme like marathons for specially abled, workshops, seminars etc are also being conducted and successfully organized by the centre. Physical & financial Assistance is also provided by the centre.

Equal Opportunity Cell:

This cell owes its presence to the students belonging to schedule tribes, schedule castes, OBC and persons with disabilities. Scholarships and other fellowships are also provided for these students. The main focus behind its establishment is to solve the problems confronted by the students of the minorities
