The Dean  
College Development Council  
University of Kashmir  
Hazratbal

Sir,

This is to inform you that the teaching of English at the Undergraduate level in the University of Kashmir has been invariably text-oriented and accordingly the Board of Undergraduate Studies in its meeting recommended the following books published by CUP to be taught in the semesters shown against each:

- |                 |   |
|-----------------|---|
| • AECC- English | Semester 1 (2020), Arts and Commerce          |
| • English-1     | Semester 1 (2020), Arts and Commerce          |
| • AECC-English  | Semester 2 (2020), Science                    |
| • English-2     | Semester 2 (2020), Arts and Commerce          |
| • English-3     | Semester 3 (2020), Arts, Commerce and Science |
| • English-4     | Semester 4 (2020), Arts, commerce and Science |

As per the above recommendation, the students admitted in Semester 1 for the academic session 2020 had to purchase the said book/s (AECC-English and English-1) from local booksellers for their online classes and subsequently for the preparation of their internal assessment/examination. Unfortunately, due to covid-19 lockdown, the students of the said semester have not been able to do so. It is, therefore, requested that the students be directed by their respective Principals/HoD's/Teachers to purchase the book/s as these are now available in the market. It is pertinent to mention that without the textbook/s the basic objective of the course cannot be attained.

Yours Sincerely,

  
Prof Lily Want  
Convener (Board of Undergraduate Studies)  
University of Kashmir
