Prof. G. Jeelani
Dean E&ES

Dated: 07/03/2025

Notice

Professor Alan Fryar from Department of Earth and Environmental Science, University of Kentucky, USA, Thompson Distinguished International Fellow, is going to deliver a lecture on “**Checking the Pulse and taking the Temperature: How do springs respond to Environmental Stress**” on 17.03.2025 at 10:30 am in the Auditorium of Science Block, University of Kashmir.

Hon’ble Vice-Chancellor has kindly agreed to Chair the session. All the faculty members, research scholars and PG students of your department are invited to attend the talk and interact with the eminent scientist with an expertise in groundwater. The talk will be open to all the interested faculty members and research scholars of the University of Kashmir.

A handwritten signature in black ink, appearing to read 'G. Jeelani', written over a large, faint circular stamp.
