From The Desk of the Director DACE

"Don't give up; the beginning is always the hardest"

Dear Students & Esteemed Parents,

I extend my heartiest greetings and wishes from the Directorate of Admissions and Competitive Examinations (DACE). The University of Kashmir – the primeval and premier seat of learning, is profound to the motto that **"Quality education is a right, not a privilege"** and we credence in disseminating quality education to our students. The University of Kashmir offers a unique academic and scholastic environment to students to become empowered through learning and numerous other curricular and co-curricular opportunities, with holistic approach and pedagogical pedestal for generating stalwarts, since its inception.

The admission prospectus has been formulated in view of the present era desideratum stipulations and appropriately framed by the experts from the admissible and appurtenant disciplines under the patronage of the Hon'ble Vice Chancellor Prof. Nilofer Khan who chairs the Admission Advisory Committee, ensures that the admission process adheres to the relevant university regulations, statutes and ordinances to make the process of admissions smooth and student friendly. We are fortunate to have the expert guidance of the Dean Academic Affairs, the Dean Research, the Dean Colleges, the Registrar, the Controller of Examinations, the Deans of the Schools, the Directors of the Campuses, the Heads/Directors/Coordinators of the Departments/Institutes/Centres, the academic section, the NEP Cell and other units of the University who have played a great role to ensure that all the pertinent information and attributes have been included in this handbook. Moreover, the dedicated staff at the Directorate plays a crucial role to manage and facilitate the admission process of the prospective students with their excellent assistance to admission related matters.

Directorate of Admissions and competitive examinations (DACE) plays a pivotal role in admitting and guiding students to the most appropriate courses in its five campuses and affiliated institutions based on their merit, interests and aptitude. The primary function of DACE is to conduct centralized admissions to various professional & non-professional; Under Graduate & Post Graduate programs, and Diploma & Certificate Courses offered by the University at its campuses and affiliated colleges, ensuring systematic procedures, complete transparency and strict adherence to the reservation norms of the governmental education policies. Apart, the DACE also conducts the competitive examinations for such admissions and strives constantly to admit the best students to the best possible programs purely on the basis of merit. We at DACE prioritize maintaining high academic standards and upholding a robust examination framework to ensure its integrity.

During my tenure as the Director DACE, I am committed to ensure that each student seeking admission to the University of Kashmir and its affiliated campuses/Colleges are guided to the best possible institution of their choice subject to eligibility and merit. Let us work together towards a smooth and flawless admission process to actualize true potential.

I wish you all the very best for your upcoming admission and entrance examinations. May you perform to the best of your abilities and achieve the academic success you aspire to.

Directorate of Admissions & Competitive Examinations

ABOUT THE UNIVERSITY

VISION

To be Worldclass University committed to create and disseminate knowledge for human development and welfare

MISSION

To create intellectually stimulating environment, promote excellence in teaching, research and extension activities, and facilitate academic freedom, diversity and harmony

The University of Jammu and Kashmir was founded in the year 1948. In the year 1969 it was bifurcated into two full-

fledged Universities - University of Kashmir at Srinagar and University of Jammu at Jammu. The University of Kashmir is situated at Hazratbal in Srinagar. It is flanked by the world famous Dal Lake on its eastern side and Nigeen Lake on the western side. The Main Campus of the University, spread over 247 acres of land, is divided into three parts – Hazratbal Campus, Naseem Bagh Campus and Mirza Bagh Campus (serving residential purpose). The tranquil ambience of the Campus provides the right kind of atmosphere for serious study and research.

Over the Years University of Kashmir has expanded substantially. It has established Satellite Campuses at Zakura near the main campus (Institute of Technology); Anantnag (South Campus); Baramulla (North Campus) and Kupwara (Kupwara Campus) to make higher education more accessible to people living in remote areas of Kashmir valley. The University has also established a Sub-Office at Jammu to cater to the needs of the candidates enrolled with the University from outside Kashmir.

The University is committed to provide an intellectually stimulating environment for productive learning to enhance the educational, economic, scientific, business and cultural environment of the region. The University offers programmes in all the major faculties - Arts, Business & Management Studies, Education, Law, Applied Sciences & Technology, Biological Sciences, Physical & Material Sciences, Social Sciences, Medicine, Dentistry, Engineering, Oriental Learning and Music & Fine Arts. It has been constantly introducing innovative/ new programmes to cater to the needs and demands of the students and the society.

Over the years, the University has marched towards excellence in its programmes and activities. It has been re-accredited as Grade A+ University by the National Assessment & Accreditation Council (NAAC) of India. This is recognition and reflection of the high standard of quality in teaching and research at the University of Kashmir.

ABOUT THE DIRECTORATE

Vision

Directorate of Admissions and competitive examinations was established by the University in the year 2017 with a vision to standardize the process of admissions to different professional and non-professional Under-graduate & Post Graduate programmes and Diploma & Certificate courses offered by the University, its offsite campuses and affiliated colleges through methodical, fastidious and explicit manner, with induction of information and communication technology (ICT) tools and services, to incorporate interactive online admission platform that will promote flexibility for easy access to admissions, catering to individual needs, access to diverse range of subject resources and foster digital literacy fostering.

Mission

➤ To attract the students to the University by proper planning strategies, promoting the University nationally and internationally for student admissions.
➤ To organize outreach programmes at schools and colleges to provide information about different programmes, expertise available and university infrastructure and services.
➤ To ensure a smooth and error-free application submission, providing students with necessary information and support.
➤ To select the most promising and suitable students who can contribute to the academic community and achieve their educational goals, while also ensuring a diverse and vibrant learning environment.
➤ To empower students to make well-informed choices about their programmes of study and career paths.
➤ To develop students potential with accurate counselling to achieve opportunities in future, both academically and personally.

Activities of the DACE

Issuance of Notifications: The Directorate of Admission and Competitive examinations (DACE) issues notifications for admission either on the basis of qualifying examination merit, or on the basis of entrance tests or on the basis of tests conducted by external agencies. The aspirants apply online for admission to various Under-Graduate/Post Graduate programmes and other Diploma/Certificate courses, as per the university's academic calendar. The notifications for other courses via Distance Mode etc., are also issued annually as and when the University notifies them.

Entrance Examinations: DACE Conducts standardized and fair entrance examinations for accessing candidates for various Programmes/Courses and after evaluation declare the results along with rank wise merit lists.

Admission/Selection: Admissions to Intergrated/U.G./P.G. Programmes and Diploma/Certificate courses offered by university at various affiliated campuses/colleges are made through a transparent selection process including issuance of two selection lists, followed by a centralized counselling process. The counselling process, in general, commences immediately after the two selection lists are issued and any vacant seats are filled up through counseling.

Timely Completion: DACE ensures that the admission process is completed within a specific timeframe, allowing for a smooth start to the academic calendar.

Admission for foreign nationals: DACE also handles the admissions of foreing nationals under various sponsorships programmes following proper procedures

set by the university for such purposes.

Notes:

1. For candidates falling under the Reserved Categories namely (i) "Persons from outside the Kashmir Division", (ii) "Foreign Nationals", (iii) "NRI/NRI sponsored" and (iv) "Children of Permanent Employees (serving/retired) of the University of Kashmir", the minimum eligibility shall be the same as that for the open merit category in all Programmes/Courses offered.

2. Candidates possessing postgraduate degree/s are eligible to seek admission in another postgraduate programme or in a Diploma/Certificate course, if they fulfill the eligibility criteria laid down for admission; however, no benefit of reserved category can be granted if already availed in the identical programme/course.

3. A candidate can simultaneously pursue a full-time PG Programme and one PG Programme (through Distance Mode) or part-time (Morning/Evening) Certificate Courses.

(C)   Applying Provisionally for Admission [Appeared or Result awaited Category]

Furthermore, candidates having appeared in the qualifying examination can also apply provisionally on their own risk and responsibility, subject to fulfilling all eligibility conditions including acquiring minimum required percentage **upto 5ᵗʰ June 2025 (for Programmes based on Class 12ᵗʰ) and 29ᵗʰ July 2025 (for Programmes based on Graduation)**. If a candidate fails to fulfil eligibility upto last date fixed for the purpose, he/she shall not figure in the **Merit List**, even if having appeared in the Entrance Test; however, if any such candidate becomes eligible during the admission process, he/she shall be considered for admission as per merit if seats are available in the relevant Programme after all the eligible candidates have been exhausted.

I)   PURSUING OF DUAL DEGREE

Candidates can pursue two academic programmes simultaneously *i.e.*, one regular and the other through Distance/Open/Online Mode in accordance with the UGC regulations dated 13ᵗʰ April, 2022.

II)   RESERVATION OF SEATS FOR PROFESSIONAL AND NON-PROFESSIONAL PROGRAMMES/COURSES

Fifty percent (50%) of seats available in a Programme/Course of study shall be filled up from Open merit category candidates. Remaining fifty percent (50%) of seats available in a Programme/Course shall be filled up from amongst the reserved categories in order of merit. Supernumerary seats shall be in addition to intake capacity of a programme. The breakup of seats for various reserved categories and the authorities competent to issue the required certificate in respect of the reserved categories are given in Tables 9 & 10 below:

Table 9: Break-up for 50% Reserved Categories seats				
Sr.	Reserved Category		Reservation %age	Authority for Issuing Certificate
1.	Schedule Caste {SC}		8%	Tehsildar concerned
2.	Scheduled Tribe {ST}	(1) Bakerwal; (2) Balti; (3) Beda; (4) Bot, Boto; (5) Brokpa, Drokpa, Dard, Shin; (6) Changpa; (7) Garra; (8) Gaddi; (9) Gujjar; (10) Mon; (11) Purigpa; & (12) Sippi	10%	Tehsildar concerned
		(1) Gadda Brahmin; (2) Koli; (3) Paddari Tribe; & (5) Pahari ethnic Group	10%	
3.	Residents of Backward Areas {RBA}		10%	Tehsildar concerned
4.	Residents of Area adjoining Actual Control/International Border {ALC}		4%	Tehsildar concerned
5.	Other Backward Classes {OBC}		8%	Tehsildar concerned.
6.	Children of Defense Personnel (Army & BSF) {CDP}^		1% (Horizontal)	Commanding Officer of Unit/ Zila Sainik Welfare Officer
7.	Children of Para-military Forces and UT Police Personnel {CDP}^		1% (Horizontal)	DIG concerned
8.	Candidates possessing outstanding proficiency in Sports {SPT}^		1% (Horizontal)	Director, Physical Education, University of Kashmir
^ Horizontal reserved categories (CDP-1, CDP-2 and SPORTS) have 1% each reservation which doesn't make a full seat in majority of the programmes/courses. As such the three categories shall be clubbed together and the seat shall be allotted on the basis of merit; however minimum of one seat shall be given to these categories clubbed together. ^ moreover, if a horizontal reserved category candidate falls under open merit, in such case no other candidate in this group shall avail the benefit of the category				

Table 10: Break up for Supernumerary seats			
Sr.	Category	Reservation %age	Authority for Issuing Certificate
1.	Economically Weaker Sections **(EWS)**	10%	Tehsildar concerned
2.	Differently−abled [not less than 40% disability] **{DA}**	4%	Superintendent Medical Board
3.	Persons from outside the Kashmir Division, but excluding those who have passed qualifying examination from University/ Board of Kashmir Division **{OSJ}**[*]	2% (minimum 1 seat per programme)	Registrar of the concerned University / Secretary concerned Board
4.	Persons residing outside India (Foreign Nationals)/NRI/NRI Sponsored but excluding those who have passed qualifying examination from Jammu & Kashmir Universities/ Boards **{FN}**[#]	5%	Embassy concerned/ ICCR
5.	Children of Permanent Employees of the University of Kashmir (Serving/Retired) **{SN}**	1 seat per Programme	Registrar, University of Kashmir
*	Where a course is not offered by the Universities in Jammu Division, candidates from Jammu Division shall compete in Open Merit/Reserved Categories, if otherwise eligible.		
#	However, the %age of seats can be increased by the Vice-Chancellor on the recommendation of the concerned Department.		

(i) The benefit of admission under a Reserved Category/Supernumerary seats (Tables 9 & 10) <u>shall be granted only once to a candidate for admission to any PG and UG Programmes separately</u>; however, a subsequent benefit under SN category can be availed in case of non-availability of SN candidate in the general list.

(ii) Differently−abled [not less than 40% disability] **{DA}** category and Economically Weaker Sections **(EWS)** shall not be considered under OM even if having higher entrance test score {as they are put to a disadvantage on account of fee waiver and/or receiving Scholarship}.

(iii) If a candidate is eligible to apply for admission under more than one reserved categories, he/she shall be required to choose (while submitting the online Application Form) only one Reserved Category for one programme under which he/she would like to be considered, which shall be final, and unchangeable. For example, if a candidate is eligible under three categories RBA, CDP, and Sports, he/she shall have to choose only one of the three categories under which he/she shall compete for admission to a particular programme. Say, if he/she is an applicant for PG programmes in A, B, C and D subjects, he/she may compete in all the programmes but only under one of these three categories (RBA, CDP or Sports whichever he/she likes) or he/she may compete (say for instance) under RBA for A, under CDP for B, under Sports for C and under RBA for D. He/she is not, however, permitted to compete under more than one category for a single programme *i.e.*, he/she cannot, for instance, apply under RBA as well as CDP for a single programme.

(iv) Only candidates residing within the territorial jurisdiction of Kashmir Division and/or those who have passed their qualifying examination through Universities/Boards of Kashmir are eligible to seek admission under open merit as well as reserved categories <u>(1-8) (Table 9)</u>, however, in case of courses/programmes not offered by Universities of Jammu Division, candidates residing in any part of the J&K are also eligible to apply under open and reserved categories <u>(1-8) (Table 9).</u>

(v) The certificates under clauses <u>1-8</u> except that at Sr. No. 6 & 7 in Table 9 must be in accordance with SRO 126 of 28th June 1994 of the J&K Government and subsequent SRO's issued by the Government time to time in this regard.

(vi) Candidates residing outside the territorial jurisdiction of Kashmir Division (who have not passed their qualifying examination through Universities/Institutes/Boards of Kashmir Division) shall be eligible to apply under category OSJ (Sr. No. 3 <u>Table 10)</u> for all subjects/programmes, unless otherwise indicated/subject to determination of their eligibility/equivalence to the degree.

(vii) One Supernumerary seat in each programme (irrespective of number of Campuses/Colleges) belonging to children of Permanent Employees (Serving/Retired) of the University of Kashmir (under Category 5) (Table 10), in order of merit provided he/she produces a Certificate from the Registrar, University of Kashmir. The eligibility for admission and the procedure of selection would be the same as prescribed for categories shown in Table-9 above.

(viii) Foreign students shall be considered under the Supernumerary category "4" (Table 10) and shall be governed by the admission policy reflected under Clause of the Prospectus "ADMISSION OF FOREIGN STUDENTS".

(ix) In case of M. Pharm programme only two seats for each programme shall be available for reserved categories and shall be offered to two candidates who top the merit list of reserved categories, provided that only one candidate shall be taken from one category.

V) ADMISSION PROCEDURE

(A)   General Courses

The selection of a candidate shall be based on his/her performance in the Entrance Test. The Entrance Test shall carry weightage of 60 marks and a candidate shall be considered for selection if he/she has obtained positive score. Further, where a programme is offered at more than one Campus/College, a candidate having given Campus/College preference shall only be considered; however, the same can be changed during counseling/mop-up round of selection.

(B)   M.Sc. Biotechnology

The admission of the candidates shall be made on the basis of valid GAT-B score.

(C)   MA Social Work

A candidate shall have to appear in the Entrance Test based on two papers (Paper I and II) on a single day. Question Paper I shall comprise 60 multiple choice questions [in a similar manner as in other subjects] carrying 60 marks as per the syllabus prescribed for the purpose.

The Question Paper II shall comprise 4 questions carrying 60 marks on the topics specified in the prescribed syllabus. The candidates shall be required to attempt all the questions in 2½ hours.

On the basis of their merit in Paper I, answer books of Paper II of the candidates numbering four times the intake capacity (both under open merit and reserved categories) shall be evaluated.

Final selection for admission to the programme shall be based on the combined merit obtained by the candidates in Paper I and Paper II.

(D)   M.A. Mass Communication & Journalism

A candidate shall have to appear in the Entrance Test based on two papers (Paper I and II) on a single day. Question Paper I shall comprise 60 multiple choice questions [in a similar manner as in other subjects] carrying 60 marks as per the syllabus prescribed for the purpose.

The Question Paper II shall comprise 5 questions carrying 40 marks on broad topics specified in the prescribed syllabus. The candidates shall be required to attempt all the questions in 2 hours.

On the basis of their merit in Paper I, answer books of Paper II of the candidates numbering five times the intake capacity (both under open merit and reserved categories) shall be evaluated.

Final selection for admission to the programme shall be based on the combined merit obtained by the candidates in Paper I and Paper II.

(E)   M.Sc. Nanotechnology

VII)   ENTRANCE EXAMINATION:

1. The eligible candidates shall be required to appear in Entrance Test comprising of 60 multiple choice questions (MCQ) carrying a total of sixty marks covering the syllabus prescribed for the concerned subject/ programme (except for programmes MA Social Work and MA Mass Communication & Journalism) and for MTTM programme 120 multiple choice question (MCQ) carrying a total of hundred twenty marks as per the prescribed syllabus. The detailed syllabi **(based on the syllabus prescribed for all the major courses of the 3-Year Undergraduate Programme of the concerned subject)** and previous year's entrance papers of all PG and other programmes "to which University is offering admission" are available on the official website of the University (www.kashmiruniversity.net or www.kashmiruniversity.ac.in).

2. Entrance Test may not be conducted for admission to a programme/ course where intake capacity is equal to or more than the number of eligible applicants, in such cases the selection shall be made on the basis of academic percentage of the qualifying examination.

3. Negative marking shall be @ 25% per question *i.e.*, for each wrong answer 0.25 marks shall be deducted.

4. In respect to the below mentioned Programmes, candidates must have a valid score in national level tests conducted by various agencies shown against each; however, if seats still remain vacant, Entrance test will be conducted immediately by the University for which separate notification will be issued.

Sr.	Programme	Valid Test/Examination
1.	MBA/MBA (Financial Management)/ MBA (Craft Management & Entrepreneurship)	CMAT
2.	M Sc Biotechnology	GAT-B
3.	M.Tech.	GATE
4.	M.Pharm	GPAT
5.	B. Tech	JEE (Main) [Best of Two]
6.	IMBA (BBA-MBA)	UGAT

VIII)   RESULT OF ENTRANCE TEST

The Answer Key of a subject shall be displayed on the University website immediately after the test is conducted. Complaints and queries, if any, to the Director, Directorate of Admissions and Competitive Examinations shall be received online at admissions@kashmiruniversity.ac.in from the examinees within one working day (upto 4:00 p.m.) from the date of uploading of keys/displaying of keys on the University website, which will be resolved by the Subject experts and revised key shall be uploaded subsequently. No complaints, whatsoever, shall be entertained thereafter and the result of the test/s shall be processed. Each candidate shall get his/her Entrance Merit.

IX) DECLARATION OF MERIT LISTS/SELECTION LISTS

(i)   All the notifications shall be uploaded on the official website of the University. The University does not own any responsibility for a candidate not being informed and no candidate shall be informed separately.

(ii)   All those candidates, who had applied provisionally, shall ensure that they fulfill their eligibility conditions latest by **5th June 2025 for 12th based admissions** and **by 29th July 2025 for graduation based programmes**, failing which their name shall not figure in the **Merit Lists,** even if having appeared in the Entrance Test.

(iii)   The detailed merit lists mentioning entrance points, details of the qualifying examination and other components, as per the procedure of admission for various Programmes, shall be displayed on the University website. Complaints and queries in writing to the Director, Directorate of Admissions & Competitive Examinations, with documentary proofs, if any, with regard to Merit lists shall be open for one working day (upto 4:00 p.m.) from the date of uploading of merit list on website. The same shall be attended promptly. Thereafter, the Selection Lists shall be issued. No complaints whatsoever shall be entertained with respect to individual merit of a candidate after publishing of the selection list.

(iv)   **The first selection lists** for all programmes/courses of the main Campus shall be issued on the basis of relative merit and preferences given by the candidates in the Application Form.

(v)   Notification for inviting application forms for **self finance seat quota** shall be issued along-with the 1st selection list and the candidates on the basis of their merit shall apply for self finance Seats. Please note that admission against self finance seats shall be made solely on the basis of Merit.

(vi)   Immediately after the last date of 1st selection list, (a) admission for left over vacant seats after 1st selection list for main campus, (b) selection list against self finance seats of main campus, (c) 1st selection list for offsite campuses and (d) self finance seat list of the offsite campuses shall be issued simultaneously.

(vii)   Please note that if a candidate is provisionally selected and fails to complete admission formalities, he/she forfeits right to admission in subsequent lists till candidates are available.

(viii) In case vacancies are available / are caused even after issuance of two selection lists, admission against vacant seats shall be made on the

basis of counseling. The counseling to a programme/course where the seats remain vacant after the issuance of two selection lists, shall be meant for only those candidates who are in waiting list *i.e.*, if the cut off merit of 2nd selection list was 20 points, the counseling should be only for the candidates having obtained 19.75 points and below. However, the candidate already selected in main selection lists and has forfeited his/her right to admission due to non-completion of admission formalities, shall be given a chance for appearing in the counseling only after the candidates in the merit list have been exhausted in full. Therefore, students in their own interest shall remain in touch with the website of the Directorate of Admissions & Competitive Examinations where all updates shall be available.

(ix)   While issuing the Counseling Notification on the University website, seat matrix in various categories across various Campuses/ Colleges shall also be made available and the candidates shall have the option to give fresh Option on Counseling Form available on the University website while submitting the online counseling forms.

(x)   If a candidate gets selected in more than one programme/s he/she shall have to give on-spot consent for one programme only which shall be treated as final and no change shall be entertained thereafter.

(xi)   **Important Note for Candidates attending Counseling**: Selection list against available vacancies and waiting list shall be drawn on the basis of counseling in order of merit. Since all the processes (except verification of certificates by the respective Departments) including deposition of Fees is online, selected candidates shall be given three days to complete admission formalities, failing which next candidate in the waiting list shall be granted admission. Therefore, candidates in the waiting list, in their own interest, are advised to remain in touch with the concerned Department to find admission prospects.

(xii) After formally closure of admission, no shifting shall be granted under any circumstances.

X) PREPARATION OF SELECTION LIST

The following procedure shall be adopted to prepare selection list:

(i)   As per the intake, seat matrix indicating number of seats and fraction of a seat from each category shall be prepared.

(ii)   Horizontal reserved categories (**CDP-1, CDP-2 and SPORTS**) each have 1% reservation which doesn't make a full seat in majority of the programmes/courses. As such the three categories shall be clubbed together and the seat shall be allotted as per merit; however, minimum of one seat shall be given to these clubbed categories. Further, being horizontal reservation, if any candidate among these three categories figures in the Open Merit, no further seat shall be allotted to any of these three horizontal reserved categories.

(iii)   In case, no eligible candidate is available under a particular reserved category, the seat(s) including fractional part under that category shall be shifted to open merit category excluding **Supernumerary seats**.

(iv)   In case, the number of eligible candidates available under a particular reserved category is not sufficient, the remaining seat(s) including fractional part under that category shall be shifted to open merit category excluding **Supernumerary seats**..

(v)   All seats available under the open merit category except any fractional part shall be allotted to eligible candidates in order of their merit irrespective of their applied categories i.e., if a reserved category candidate of Table 9 figures in merit list, he/she shall be shifted to open merit in the 1st instance except for EWS, DA OSJ & FN/NRI.

(vi)   All seats except fractional part available under the reserved category/ies shall be allotted to eligible candidates in order of merit leaving behind fractional part.

(vii)   Fractional parts attached to all categories including open merit category (but excluding Supernumerary seats) left shall be clubbed together (added) to calculate resultant seat/s to be allotted under open merit as well as reserved category/ies whose fraction was added; however, preference shall be given to such category/ies which have not been represented in step (vi) above and thereafter any resultant vacancy shall be given to open merit / reserved categories whose fractional part was added up on the basis of merit. Needless to mention that maximum of one seat through this exercise shall be allotted on the basis of merit to the Open Merit/Reserved category/ies whose fractional part was added.

(viii) If at any stage no eligible candidate is available for admission from a reserved category, that seat/fractional part shall be shifted to open merit category and filled up.

XI) Resolution of Tie

Where two or more candidates have secured equal marks in the entrance test for admission to a particular programme, the tie shall be decided as under:

a)   On the basis of aggregate merit obtained in the qualifying examination, *i.e.*, a candidate with higher aggregate marks shall be given preference;

b)   If the tie still persists, the aggregate merit of the subject in which the admission is sought shall be reckoned by taking the merit of that subject in all the three years BA/B.Sc./B.Com, 1st year, 2nd year and 3rd year or all 6 semesters into account;

c)   In case the problem still remains unresolved or the candidate seeks admission to a Programme where the discipline in which he/she seeks admission is not taught at undergraduate level, then candidate with higher academic merit in the preceding examination *i.e.*, merit in Hr. Sec. Part-II (10+2) where the minimum qualification is graduation and merit in Matric where the minimum qualification for admission is 10+2 shall be given preference.

d)   If still tie persists then candidate older in age shall be given preference.

XII)   SHIFTING FROM RESERVED CATEGORY TO OPEN MERIT QUOTA

A candidate seeking admission under a particular Reserved Category (except EWS, DA, OSJ, or FN/NRI) shall at first instance be automatically shifted to the Open Merit Category, (if otherwise eligible), if the total points scored entitle him/her to figure in the

open merit list. However, once admission granted, the candidate cannot be shifted to Open Merit in subsequent lists at the same Campus/College.

XIII)   ADMISSION UNDER SELF-FINANCED SEATS CATEGORY

The notification for admission under Self-financed seats shall be issued immediately after issuance of 1st selection list and only those candidates who have appeared in the Entrance Test and apply for admission under Self Financed Category on the prescribed format available on the official website of the University shall be considered for admission under this category. However, in Programmes where the number of applicants is less, admission can be granted on the basis of qualifying examination merit. The selection of candidates shall be made on the basis of merit (among the applicants for this category of seats) which shall be the same as prescribed for selection of candidates against open seats. The candidates selected against Self-financed seats shall be required to pay normal fee as chargeable to other candidates, in addition to the fee charged under self-financed seats. The fee for self-financed seats shall be non-refundable payable in three installments (50% at the time of joining Semester 1 and 25% each at the time of joining semesters 3rd & 4th). If a candidate leaves a seat/quits a course after closing of admission and the seat remains vacant, the fee shall not be refunded/ transferred, even if the same candidate is selected for some other course within the University. In case of IMBA, the self-financed seat fee shall have to be deposited in four equal installments at the time of admission to 1st, 3rd, 5th and $7^{'''}$ semesters. The normal fee in both the cases has to be deposited at the time of the admission.

XIV)   SHIFTING FROM SELF-FINANCED SEAT QUOTA TO OPEN CATEGORY QUOTA

A candidate selected under Self-finance seat quota shall remain personally in touch with the concerned Department/Directorate of Admissions & Competitive Examinations for seeking admission prospects against the available vacant seat, if any, under Open Merit/Reserved Category, if the total marks scored entitle him/her to figure in the selection list. However, after formally closure of admission, no shifting shall be granted under any circumstances even if seats get vacant on account of cancelling of admission for whatsoever reasons in Open Merir or Researved Categories.

XV)   ADMISSION AT SATELLITE CAMPUSES AND COLLEGES

For admission to programmes which are also offered in Satellite Campuses of the University or Colleges affiliated to the University of Kashmir, the procedure of selection shall be the same as described above, with the provision that a candidate shall have to indicate in clear terms his/her order of preference for the campuses/ colleges, where the course is offered in the space provided for the purpose in the Application Form and in the Counseling Form as the case may be. For example, if a post-graduate programme (say PG in subject X) is offered at three places, Campus A, Campus B and College I, the applicant may give his/her order of preference in any one of the following ways:

Sr.	Programme	1st Preference	2nd Preference	3rd Preference

a.	PG in X	Campus B	College I	Campus A
b.	PG In X	Campus A	College I	Campus B
c.	PG in X	College I	Campus B	Campus A

Candidates must note that shifting/ migration from campuses to University or from one teaching Department/Centre/Institute to another (even on mutual basis) is not provided under rules. No recommendation from any Department/College/Campus in this regard shall be entertained. The preference indicated by a candidate during submission of online Aapplication Form shall be treated as final and in the event a candidate fails to mention preference, he/she will not be considered for admission in 1st and 2nd selection lists. These candidates shall be considered only during counseling session.

XVI)   ADMISSION OF FOREIGN STUDENTS

1) The number of seats for admission under the category shall be 5% of total intake capacity fixed for the Programme and shall be over and above the existing intake capacity. The admission under the category shall be open for the following categories of students. However, in case a given Department is willing to admit more foreign students in view of its adequate accommodation and infrastructural facilities. The number of seats can be increased by the Vice-Chancellor on the recommendation of the Departmental Committee.

   a) **General Category:**

   The Foreign National shall not be required to appear in the entrance test. They shall apply on the prescribed format for admission as and when admission notification is issued by the University;

   b) **Cultural Exchange Programme:**

   The students seeking admission under the Cultural Exchange Programme of Government of India shall be required to approach the Indian Council of Cultural Relations, Azad Bhavan, IP State, New Delhi-110 001, India. In the event of their selection, the Council will be informed about their selection.

2) The foreign students shall be required to fulfill the required eligibility conditions for obtaining admission to different courses.

3) In case, the number of applications is more than the seats available in a programme, the admission of students shall be granted on the basis of merit in the qualifying examinations;

4) Foreign nationals admitted to the Programme shall be required to get medical insurance cover and the same shall be mandatory for all such foreign students;

5) The foreign nationals admitted under this category shall be required to get clearance from all the relevant agencies of the Government of J&K and Govt. of India;

6) Other terms and conditions of admission shall be same as are in vogue for admission under other categories of admission.

V)   CLOSURE OF ADMISSION

The date for Closure of Admission shall be notified well in advance in the **"Admission calendar"** to provide sufficient time to all concerned to fill up all the available seats. In the event seats remaining vacant, the concerned officials shall be responsible and shall have to submit in writing to Director, Directorate of Admissions & Competitive Examinations the reasons for the same, which shall be communicated to the authorities for perusal.

VI) REFUND OF ADMISSION FEE

If a student chooses to withdraw from the programme of study in which he/she is enrolled, the following five-tier system for the refund of fees remitted by the student shall be followed:

Sr. No.	% of Refund of Aggregate fees*	Point of time when notice of withdrawal of admission is received in the HEI
1	100%	15 days or more before the formally-notified last date of admission
2	90%	Less than 15 days before the formally-notified last date of admission
3	80%	15 days or less after the 1formally-notified last date of admission of the concerned programme
4	50%	More than 15 days but less than 30 days after formally-notified last date of admission of the concerned programme
5	00%	More than 30 days after formally-notified last date of admission of the concerned programme

(Inclusive of course fees and non-tuition fees but exclusive of caution money and security deposit)

In case of (1) in the table above, an amount of 10% of the aggregate fees shall be deducted as processing charges from the refundable amount.

INSTRUCTIONS FOR FILLING OF OMR ANSWER SHEET

The candidates appearing in Entrance Tests for admission to various post-graduate and other programmes are required to answer the questions on an Optical Mark Read (OMR) Answer Sheet. In order to familiarize the candidates with the OMR sheet, a specimen of the answer sheet is given on the other side of this page. The information about Roll No., Question Booklet Series, Programme Code etc. must be recorded properly. If it contains errors, the OMR Scanner will not be able to recognize your OMR Sheet. Besides, the candidates are advised to read and follow the instructions given below:

1. Fill up the necessary information in the spaces provided on the OMR Answer Sheet in English before commencement of the test.
2. OMR Answer Sheet has an Original copy and a Candidate's Copy glued beneath it at the top. While making entries in the Original Copy, candidate should ensure that the two copies are aligned properly so that the entries made in Original Copy against each item are exactly copied in the Candidates Copy.
3. All entries in the OMR Answer Sheet, including answers to questions, are to be recorded in the Original Copy only;
4. Choose the correct/most appropriate response for each question among the options A, B, C and D and darken the circle of the appropriate response completely. The incompletely darken circle is not correctly read by the OMR Scanner and no complaint to this effect shall be entertained;
5. Use only blue/black ball point pen to darken the circle of correct/most appropriate response. In no case gel/ink pen or pencil should be used;
6. Do not darken more than one circle of options for any question. A question with more than one darkened response shall be considered wrong;
7. No mark will be awarded to a question against which no circle has been darkened.
8. There will be 'Negative Marking' for wrong answers. Each wrong answer will lead to the deduction of 0.25 marks from the total score of the candidate.
9. Do not make any stray marks on the OMR Answer Sheet.
10. Metallic items, Calculators, Smart watches, Cell phones or any other electronic or metallic gadgets shall not be permitted inside the examination hall.
11. Rough work, if any, should be done on the blank sheets provided with the question booklet.
12. OMR Answer sheet must be handled carefully and it should not be folded or mutilated in which case it will not be evaluated.
13. Ensure that your OMR Answer Sheet has begin signed by the Invigilator and the candidate himself/herself;
14. At the end of the examination, fold the OMR at the perforation line and detach the strip and handover the Original OMR Answer sheet to the Invigilator. Candidates shall retain the duplicate OMR Sheet, Question Booklet and the Admit Card.

E-Governance System Practices of the University of Kashmir

Vision
- To be a world class Directorate of Information Technology and Support System committed to create and disseminate knowledge for human development by facilitating learning, teaching and research.
- To provide a platform where involvement of all the stakeholders is ensured for decision making.
- To transform the system into an extremely efficient, secure, transparent and result oriented one.
- To facilitate the requisite technological support required for teaching and learning process.

- To offer technological support to all the constituent administrative units of the system.

Mission

The Directorate strives to deliver core IT infrastructure and resources in support of the University's mission of achieving excellence through continual improvement, alignment of our services to the changing needs of the University community and by fostering a diverse workforce and an inclusive culture.

Goals

In pursuit of the stated mission, the Directorate has following goals:

- To achieve excellence in five areas of Information Technology which include: Multimedia systems, software development, computer networks and DBMS.
- To bridge the gap between academics & industry through the establishment systems, computer networks and DBMS.
- To provide IT support to the local conventional industry by establishing Centre of Excellence for IT Entrepreneurship.
- To establish /maintain fully equipped information (IT) Centre's in University affiliated colleges, data Centre and develop software solution in house.
- To get human capital development for the industry in cognizance with the industry in the area of M.Sc. IT.

E-Governance and E-Services developed, deployed and delivered:

E-Governance (Examination and Admission)

Project with support from the Ministry of Communications & Information Technology, Department of information Technology, Government of India.

E-Governance (Administration)

Project sanctioned by Ministry of Communications and information Technology, Government of India with a total financial outlay.

E-Admissions

This system has been developed to automate all admission processes of the university. Students no longer need to come physically to the University to submit admission forms for various courses; instead the forms can be submitted online from any place with an access to the Internet. The form fees can be paid through online mode using payment gateway or can be paid through offline mode in any branch of the JK Bank and can be reconciled online with the forms submitted.

File Tracking System

File tracking system is an application to monitor the files and assist in their easy tracking. It is an integrated package which has features such as, opening of new files, tracking the movement of the files, dispatch of letters/files and finally records management. The application has been developed to provide clear visibility of the file movement throughout the file approval process and offers an efficient electronic system. This electronic system makes file tracking and retrieval easy. The system provides various functionalities to different users

KU Android Application

KU Android Mobile app allows students/employees to be updated about all the notifications/events/latest news of the University. This application allows students to check status of various applications like Result/Student Academic Details/Certificate dispatch status etc.

Using this new version a user can see:

- Notifications about various things like admissions, jobs, tenders, etc.
- Integrated notification from all departments/campuses.
- Student details, results, migration status, PG student registration status etc.
- Employee salary statement and attendance
- Department information and location
- Telephone Directory and various other features.

Career Advancement Scheme(CAS):

- Catering to CAS stages up to the stage 5
- Preview of score and application form by the applicant before submitting.
- Automatic score generation.
- Integration with the DIQA portal. Applicant can fetch details entered in his/her DIQA account to CAS application form.
- Data entered by applicant is preserved till he/she passes the CAS stage.
- Various report generation for applicant and recruitment section to speed up the CAS process.

KU Journal Websites

- Each journal has been given it own website.
- The website allows for uploading of journal volumes and related papers through admin interface.
- The website also allows for searching by volume name and paper keywords.
- Each journal website has been provided its own unique URL.

KU Attendance Portal

- Syncs monthly biometric attendance between biometric machines, attendance server and the main server.
- Now the concerned Heads are able to get the real attendance data of

employees and are now also able to match up the leaves taken by the employee against his/her attendance report.

- Allows printing the attendance report of individual employee or department as a whole.

Dean Research Budget Management System

- All the activities related to the Project budget management are dealt with in this software
- Process of Bill proposals to bill sanction is automated
- Advance payments are also managed.

Results

This application has been developed to allow students to retrieve results of their respective courses. With the help of this application, a student can view/print the result by simply entering his/her name or roll number or registration number in the search box.

Migration Form

With the help of this application, a student can apply for proper migration from University of Kashmir to the University to which he/she is migrating for further studies. A student can also check the status of his/her migration using this application.

Re Evaluation:

With the help of this application, a student can apply for reevaluation by selecting the desired paper/subject, also it enables a student to check the status of his/her application.

Registration Status for PG Students

With the help of this application, a student can check his/her registration status. He/she can also verify the correctness of the particulars entered in his/her registration form.

Stream Change Status

After submitting the stream change application form in the registration section manually, a student can check the stream change status online using this application.

DIQA

This software has been developed as a solution for the Directorate of Internal Quality Assurance for collection and maintaining annual self-assessment for the Performance Based Assessment System (PBAS). It caters both individual faculty member as well as departments/Centers.

E-Conduct

This application comes with a variety of functionalities for students of KU.With the help of this application, a student can download the examination forms for all the UG/PG courses (Professional/Non-professional). After submitting the examination form, students can download their admit cards, can check their eligibility, fee status and results of their respective courses.

E-Award System

E-Awards System offers assignment of evaluation papers, entry of marks, management of deadlines, online evaluator billing and automatic compilation of the provisional results at the University of Kashmir. This spans all postgraduate, undergraduate (professional), diploma and certificate programs offered by the University.

JK SET Application

It is a complete solution for JKSET OMR based exam. This application enables the candidates to apply online as well as it helps to prepare admit cards/ attendance sheets/center notices and post conduct operations like scanning of OMR sheets and generation of Merit/Selection lists.

Estates Section Software

This application has been developed for University Estates Section. It is capable of handling University accommodation allocation process, maintain insurance records, stock entry records etc.

E-Tutorials

The e-tutorials application has been developed in order to bridge the gap of location between the students and tutors. With the help of this service, Faculty can login and upload their respective tutorials. The students are able to select their respective Courses, year/sem, batch and subject to get the corresponding tutorials. UG, PG and Distance education e-tutorials are available by clicking on the relevant link.

Online Recruitment System

The 'online recruitment system' has been developed to enable the applicant to apply online for various teaching / non-teaching positions. The system enhances the selection process by reducing the overall time taken for selection of an applicant by automating processes like Annual Performance Indicator(API) score generation, auditing, report generation, fee payment, etc. The e-Recruitment system allows recruitment section to take advantage of the latest trends in online recruitment process, helping them manage all stages of the recruitment process. The system also saves time of an applicant by allowing him/her to enter application details only once and copy/clone the entered details while applying for different posts. The applicants can also get help about the portal at 'recsupport@uok.edu.in'

KU Content Management System

The Kashmir University Content Management System (KUCMS) allows departments to replace their old DotNetNuke websites to new website using latest developments in web technologies like responsive design, AJAX, etc. KUCMS also integrates with DIQA web application where a faculty member can decide what information to display on his/her personal page. KUCMS also allows for creation of custom pages for faculty. KUCMS also provides search functionality for the user where user can search the site for some info. KUCMS also has many other features like Google map for location the department, cross linking of information, etc.

Single Log in Service

Enables employees to access various University applications using Single login. It Uses employee code of the University employee as their username. First phase KUSLS is integrated in DIQA, FTS, KUCMS, HMS, KUDMS, and Dean Research Accounts etc. Second phase will cater to all applications.

HR Management

HR Management handles:
- Personal details
- Joining details
- Qualification details
- Promotion
- Transfer details
- Nomination details etc.
- add-on online services to the employees like applying for leaves, applying for GP Fund etc.

Feedback/Grievance Re-dressal System

Online redressal system for grievances/queries. Around 40,000 queries have been registered and replied online.

Salary Management System

Salary Management system is one of most advanced application for Auto generation of monthly salaries, Fixation of salaries (as per 7th Pay Commission), Auto calculation and generation of arrears, online salary Statements and Auto tax calculations. Latest addition to this application includes: salary reports by period for taxation purposes thus making it more beneficial for employees.

Hostel Management System

With the help of Hostel Management System, Student applies for hostel accommodation through University registration or enrolment number.

Some of the features are:
- Application forms are automatically sorted on the basis of district.
- Ratio of seats for each district is calculated according to the no. of application forms received from each district.
- Seats for each district are automatically divided into 6:4 ratios between science and non-science students respectively.
- Groups are auto sorted as per the distance from the University in descending order.
- PHC category are automatically selected.
  Each Student from selection list is assigned an available room randomly.

Payment gateway

For online transactions, a payment gateway verifies the funds. The Payment Gateway is the only way to make a payment to your student account with a credit card or electronically from your checking/savings account. University Uses Creation and Implementation of Payment Gateway through Axis Bank and Bill Desk IPG.

Auxiliary Services

- In-house operations and maintenance of University Data Centre.
- Designing, Development and Maintenance of University Web Portal.
- Establishment, Operations and Maintenance of KUWAN connectivity spread across the valley connecting Affiliated Govt. Colleges.
- Designing and Development and hosting of Content Management System for the Affiliated Govt. Colleges.
- Designing and Development and hosting of content Management System for the websites for University Departments/Centre's/Directorates

Other Services:

- Student Placements in IT Sector.
- IT Trainings for Software Solutions Developed by Directorate.
- Maintenance of university Website, Departmental websites and WAN connectivity
- Establishment of Information Centre's in Affiliated Colleges with via line-of-sight connectivity facility.
- Advanced Centre for Excellence in Information and Communication Technology.
- Consultancy to various Govt. /Semi Govt. organizations.

CENTRE FOR BIODIVERSITY AND TAXONOMY

Year of establishment   1981

Prof. Aijaz Ahmad Wani	Honorary Director
Prof Anzar A. Khuroo	Teacher Incharge

Thrust areas of research
- Alpine Biodiversity, Taxonomy, Biogeography, Ethnobiology, Conservation Biology, Climate Change, Urban Biodiversity

Current activities
- Field survey and specimen collection of biodiversity of the different areas such as Hipora-Pir Ki Gali,Yousmarg,Doodpatheri,Tosaimadan Duksum-Sinthan Pass, Sonamarg-Thajwas, Apharwat, Kilanmarg, Botapathri, Rajdhan Pass, Sadhna Pass, Farkiyan Pass, Margan Pass, Keran, Karnah, Gurez, Padder, Marwah, Warwan, Dachin and other such far-flung areas have been undertaken.

- Documentation and digitization of the herbarium specimens is under progress.
- Eminent scientists and research scholars from the countries such as Czech Republic, Switzerland, France, USA and other institutes of the country such as SAC-Ahmadabad, NBRI-Lucknow, BSI-Kolkata, etc visited the Centre's KASH Herbarium for pursuit of their research work.
- Over the years, the Centre is unfailingly providing scientific nomenclature and identification services to hundreds of research scholars and scientists from other departments of this University, and the various departments of J&K Government, particularly, SKUAST (K), Sheep Husbandry, Animal Husbandry, Forests, Environment, Agriculture, Horticulture, Floriculture, Sericulture, LAWDA etc.
- Frequently, students from various schools, colleges, universities and institutes visit the herbaria, and demonstration sessions are being conducted to learn the techniques and role of herbarium.
- The Centre currently runs four research projects:
  1) Himalayan Alpine Biodiversity Characterization and Information System Network Project sponsored by NMHS.
  2) Characterizing Patterns and Processes of Alpine Ecosystem in Indian Himalaya with Special Emphasis to Jammu and Kashmir sponsored by Space Applications Centre (SAC-ISRO), Ahmadabad under SHRESTI Program.
  3) Management of Ox-Eye Daisy (Leucanthemum vulgare) in Protected Areas of Kashmir Himalaya sponsored by Department of Biotechnology, Govt. of India, New Delhi.
  4) Conservation Genetics and Species Recovery of Threatened Himalayan Trillium in Hirpora Wildlife Sanctuary, Kashmir Himalaya sponsored by Department of Biotechnology, Govt. of India, New Delhi.

Additional information

Herbarium: The Herbarium of the University of Kashmir, recognized by the New-York based *International Bureau for Plant Taxonomy and Nomenclature* under the acronym **KASH**, is housed in the Centre. It is 3rd largest herbarium in the Western Himalaya.

KASH: key facts and figures

- Total no. of herbarium specimens   =   60,000
- No. of specimens accessioned   =   48,000
- No. of specimens un-accessioned   =   12,000
- Total no. of herbarium cabinets   =   51
- Total no. of species   =   *ca.* 3200
- No. of endemic species   =   310
- No. of threatened species   =   250
- New species records   =   44
- Type specimens   =   98

Achievements

- Till now, 20 books and 400 research papers on the plant wealth of this Himalayan region published.
- Twenty (26) research projects sanctioned by different funding agencies completed.
- From this centre, the number of research scholars who have completed their M. Phil and Ph. D. degrees is 46 and 30, respectively.
- About 38 plant taxa have been published as 'New to Science' from this Centre.
- At present, a rich repository of about 60,000 specimens is preserved in the KASH herbarium.
- Under plant specimen exchange program, herbarium specimens have been sent/received from the herbaria of various circles of Botanical Survey of India and those of USA, England, Austria, Denmark, and Russia.

Future plans

- ➤ To develop KASH as a digital herbarium
- ➤ To develop an *e-flora* of Jammu & Kashmir state
- ➤ To prepare Red List of biodiversity in Jammu & Kashmir state

DIRECTORATE OF LIFELONG LEARNING

Year of Establishment: 1978

The Directorate of Lifelong Learning (DLL) earlier known as Centre for Adult Continuing Education & Extension (CACEE) was established in the year 1978 to bring the change in the lives of the common masses. The Directorate offers professional, vocational, skill based and job-oriented, income generating courses for self-employability, livelihood earning and entrepreneurship development of the youth. The introduction of such courses has yielded tangible results in promoting creative confidence among youth and evolved tremendous response from all walks of life. There remains a constant pressing demand from the youth of the entire valley for conduct of such courses. The in-service people and prior learners too are being covered within the ambit of our programmes to upgrade and update their skills as per the contemporary and emerging challenges. The Directorate has oriented its initiatives towards educo-developmental, socio-economic appropriateness of the society under Area Based Community Development Approach (ABCD). It created flexible, affordable, adaptable, accessible, inclusive and outcome-based pathways by de-caging its initiatives beyond the four walls of the university as per the changing requirements of economic reality, market, knowledge and skill under the umbrella of Extension and continuing education programmes. The capacity building programmes, quality of life improvement programmes, bridge courses, individual interest promotion programmes, equivalency programmes, awareness generation programmes, medical and health awareness camps, workshops, seminars and other community out-reach interventions have been instrumental in promoting capacities of community to the needs of day-to-day quality life. The functioning of the Directorate is to integrate and intermingle with society which it serves or within which it is located and workout programmes as per their felt needs thereby developing meaningful and sustainable rapport between university and the community. The linkages of knowledge and skill with the business and corporate sectors have opened up ample opportunities to the youth for their comprehensive engagement in the world of work and real-life situations.

EDUCATIONAL MULTIMEDIA RESEARCH CENTRE (EMMRC)

Year of Establishment   :   1986

Faculty

Dr. Salima Jan	Director/Research Scientist
Shafqut Habib Hafiz	Producer
Ajaz-ul-Haque	Producer
Tariq Abdullah	Producer
Er. Muzaffar Ahmad Dar	Assistant Engineer

EMRC is all about what its first three letters stand for. Education, Multimedia and Research.

We digitize education and that is what the demand of the modern age is. We produce educational television programmes, make documentaries on a wide range of subjects, develop the digital educational content known as e-content and offer the latest global format of teaching and learning Massive Open Online Courses – MOOC for short.

The Centre also carries out research to assess the popularity and utility of ETV (Education Television) programmes. It also evaluates the use of communication technologies for teaching and learning. We organize awareness programme in different colleges of J&K to make students and teachers aware about the development and utilization of e-resources and the use of Information Communication Technology (ICT) in education.

EMRC has produced around 2350 ETV programmes, over 1500 multimedia/e-content modules and 1000 Learning objects in the subjects of Botany, Education, Law, Bio-Medical Science, Urdu, English, Philosophy, Psychology, Medical Science, Art and Culture. The Centre has bagged 20 National Awards. The Centre completed e-Content development in Botany in 1st Phase and in the 2nd phase B.A (Hons) Urdu, B.Sc (Hons) Food Technology, B.A, LLB, B.A (Hons) Education and B.Sc. Hons Bio-Medical Science were completed.

EMRC-made MOOCs are available on the web portal called SWAYAM (Study Web of Active Learning by Young and Aspiring Minds). SWAYAM is an e-learning initiative by the Ministry of Education (MoE) established with an aim to reach a wider audience. Under this project, various Universities in India have been assigned to develop MOOCs and we are one such institution. So far 56 MOOC courses have been developed, 25 have been re-run and offered to the undergraduate students.

Under the Swayam Prabha, EMRC University of Kashmir has also been allotted one DTH (direct-to-home) Life Science channel named *Spandan* which covers subjects like Zoology, Life Science, Bio-Informatics, Bio-Chemistry, Microbiology, Botany and Bio-Med. The channel started off from 15 August 2016 and is running smoothly. It can be watched on DD Free Dish. For programme schedule visit http://www.swayamprabha.gov.in/index.php/feedback.

Equipped with the latest gadgetry of TV & film production, the Centre has shifted from Standard Definition to High-Definition technology.

To make learning a hassle-free process, we have created a tapeless workflow. Our aim is to have a complete digitization of the content. Keeping pace with the ever-changing trends in the video production technology, EMRC has procured a high-end multimedia lab with Mac workflows.

The Centre has been upgraded to High Definition with automation of its production workflow by establishing Central Apparatus Room (CAR).

To get University closer to society, the Centre highlights the academic activities of the University. For this, we made the use of social media to reach people at large. These programmes are uploaded on the university's official Facebook page and other social media platforms.

The Centre has the expertise to provide consultancy to various agencies for producing documentaries and conducting research in various aspects of media.

Till date various such consultancy programmes have been undertaken. The Centre also intends to launch B.Sc. Electronic Media and M.Sc. Electronic Media and M.Phil and Ph.D programme in Media Studies. Besides EMRC plans to launch a course in Creative Writing.

In a line EMRC is committed to offer education in all its brevity, beauty and depth.

Welcome Message:

Welcome to the Centre for Career Planning and Counselling (CCPC), where we don't just guide your future, we co-create it with you! CCPC was established in 2004 at the University of Kashmir with the unique aim of blending career planning with personal growth, ensuring students aren't just prepared for the job market but are also self-aware, motivated, and ready to take on the world.

Vision

Empowering students to explore their passions and turn them into professionals. At CCPC, our vision is to be the spark that ignites a thousand career dreams, helping students discover their unique potential and chart their own extraordinary journey.

Mission

At CCPC, our mission is to empower students with the tools, knowledge, and support they need to pursue their dream careers. We offer comprehensive career counselling, placement guidance, and coaching for various competitive exams, ensuring that every student is equipped to navigate the job market with confidence and creativity. Our aim is to inspire students to think outside the box, to explore new possibilities, and to define success on their own terms. By fostering a culture of innovation and self-discovery, we're not just shaping careers; we're shaping futures.

Mandate

Our mandate is to be the catalyst for career innovation. We're here to challenge the status quo, to disrupt traditional career paths, and to empower students to dream beyond the ordinary. We offer comprehensive career counselling, placement, and coaching for various competitive exams. Our mission is to inspire students to be not just job-seekers but job-creators, to see opportunities where others see obstacles, and to redefine success on their own terms.

A. **Training and Placements:** We bridge the gap between academia and industry by offering unique training and placement programs. Our students don't just get jobs only but they get experiences also that transform them.

B. **Coaching for Competitive Examinations**: Our coaching isn't just about passing exams, it's about developing the resilience and character

needed to thrive in any situation.

C. **Career Counselling:** Certified career counsellors are invited to provide personalized guidance, helping students explore their passions, interests, and strengths to make informed career decisions. Our certified career counsellors provide personalized guidance, helping students explore their passions, interests, and strengths to make informed career decisions.

Dean Students Welfare

Professor Pervez Ahmad　　　　　　　　　　　　　Dean

Department of Students Welfare functions for the overall benefit and welfare of the student community of the University. It works with a vision, being obsessed with an overwhelming desire to chalk out the issues and remove all the impediments that confront students on their way to their respective developments and success. The Department addresses the social and academic concerns of the students by organizing a wide spectrum of activities and by engaging the student community in positive, meaningful and constructive endeavors. The Department also takes care of the problems, be it curricular, co-curricular & extra-curricular, faced by, and queries and complaints made by the students from time to time.

Student Amenities:

The department works as a backend support for the student welfare activities. Some of the main domains are:
1. Provision of Character Certificate.
2. Provision of Identity Cards.
3. Provision of Bus Facility for Female Students.
4. Provision of Railway Concession Forms.
5. Educational Tour
6. Scholarships

CAREER COUNSELLING

Keeping in view the problems confronted by the students while opting for their respective carriers, the department has come up with an initiative of helping the students choose productive and prospective career. The goal of Career Counseling is to not only help you make the decisions one need to make now, but to give you the knowledge and skills one needs to make future career and life decisions. Career development is more than just deciding on a major and what job you want to get when you graduate.

ANNUAL STUDENTS MAGAZINE

Department of students welfare publishes an annual periodical magazine with the name *"GULALA"* "*the budding flower"*. Gulala contains various literary and research articles written by students, teachers and research scholars. As the name indicates, it helps the students to inculcate among themselves the qualities of writing and gives their creativity-an expression of thought, directly or indirectly contributing towards their literary development.

EDUCATIONAL TOUR

In order to acquaint the university students with the required capabilities to face the world outside, and to inculcate in them the skill of learning by experiencing, the department of students welfare organizes educational tours for the students to visit various educational institutions/ universities outside the valley, thereby helping in their up gradation by reaching out to the horizons.

SCHOLARSHIPS

The department also facilitates the students belonging to weaker sections of society by assisting them regarding the scholarships provided by the University and various schemes available through National Scholarship Portal and state scholarships portal which includes:

- Scholarship for Specially Abled Students
- SC/ST/OBC/PwD etc. and minority Students
- Orphans /broken family Candidates
- Candidates belonging to AAY Category
- Candidates belonging to BPL Category
- Candidates belonging to abandoned etc

Students Grievance and Counseling Cell:

The origin of the cell dates back to the inception of the department. This cell works for the redressal of the grievances put forth by the student community in general and that of Kashmir University students in particular. The cell helps the students by acting as a bridge between the university authorities and the students and thereby putting in all the genuine efforts to solve the matters.

Division of Youth Affairs:

The Division of Youth Affairs is responsible for stimulating intellectual discussions among the students by organizing seminars, extension lectures, workshops, youth festivals, film festivals and group discussions. The Division of Youth Affairs is actively engaging the students in promoting the values of fraternity, tolerance and social harmony, so as to uphold the vibrant social fabric of our mother earth.

Various Components are:

- ➤ KU Literary Club
- ➤ KU Debating Club
- ➤ Music Club

- ➤ Drama Club

Centre for Innovation, Incubation and Entrepreneurship

Prof. Mohd. Tariq Banday   Chairman

Established as a Centre in the University of Kashmir in March 2021 as "Centre for Innovation, Incubation and Entrepreneurship" (CIIE) is located within the premises of the Institute of Technology, Zakura Campus of the University of Kashmir with a vision to promote Innovation, Incubation and encourage entrepreneurship primarily among students of the Institute of Technology besides catering to entrepreneurial challenges of youth in the area thus equipping them with various valuable skills towards becoming self-sufficient.The Centre encourages young inquisitive minds and backs up/supports their innovative projects and ideas besides providing a decisive platform for incubating their projects and promoting Entrepreneurship on a broader spectrum. This facility is extended to students and innovators alike.CIIE since its very inception has been striving to successfully provide an enabling ecosystem with the eventual succour of innovations from scratch and lead innovators with the thrill and skill of becoming assets to the nation. To elaborate, CIIE puts in all the requisite efforts to convert mere an idea into new or improved products, processes, services and offering for growth and social development to unleash the creative potential of our youth. Innovations being vital in the contemporary era need to be evolved and supported from the very basic levels and that's where our centre comes to the rescue by inspiring, encouraging and nurturing the students and innovators by exploring new ideas and processes resulting in innovative activities.

NATIONAL SERVICE SCHEME (NSS)
Ministry of Youth Affairs & Sports, Govt. of India

Programme Coordinator: Dr. Wakar Amin Zargar

Programme Officer:	Dr. Kousar Jan
Programme Officer:	Dr. Irshad Ahmad Malik
Programme Officer:	Dr. Mubashir Altaf
Programme Officer:	Dr. Humairashowkat
Programme Officer:	Mr. Farooq Ahmad

The foundation of National Service Scheme (NSS) as an organized platform for student and teacher community of the country lies in the Gandhian Philosophy of social responsibility of community service.The NSS was launched on September 24, 1969, by the then Union Education Minister Dr. V.K.R.V. Rao.The Motto of National Service Scheme 'NOT ME BUT YOU' reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other man's point of view and consideration for fellow human beings before one's own.

The National Service Scheme (NSS) which is aimed at creating awareness and understanding of social issues, matters and problems faced by the populace at community, regional and national levels among the student community and make them a solution, an answer to these variegated ever-expanding concerns is probably a unique flagship program of our country, which no other modern nation-state has evolved for its youth. Growth of an individual, especially during the formative years of a student lies not only in books and academics but in experiencing the day to day challenges faced by common fellow countrymen in their personal and collective lives and NSS is the most organised and disciplined platform a student can ever get for imbibing such an experience. Individual interest, academic potential, opportunities, dedication, perseverance etc. can shape the profession and career of a student, but the experience of working with NSS and the spirit of 'Not Me But You' will keep on guiding and illuminating his/her path towards achieving his social, economic, political and spiritual goals. An individual who has volunteered to plant a sapling, donate a pint of blood, clean someone else's trash in his student life can't shy away from dedicating resources of time, money, effort, opinion etc. howsoever meagre, towards improving the lives of others and helping others to realise their goals.

The University of Kashmir, a premier institution of the UT and the country has been part of NSS family since its inception. The NSS University of Kashmir strives to develop among students a sense of social and civic responsibility, understanding of the communities as well understanding ourselves in relation to these communities, identifying needs and problems of the communities and getting involved in problem solving processes, developing competencies and skills required for group living, sharing of responsibilities and mobilization of community participation; acquiring leadership qualities and democratic attitude; developing capacities to meet emergencies and natural disasters and practice national integration and social harmony. With these underlying objectives, the scope of NSS includes practically everything and anything of community significance. Whether it's Blood donation, Swachhata, Relief during natural calamities and disasters, Rehabilitation of underprivileged and less fortunate lot of society, Traffic and road safety awareness or a major challenge like Covid pandemic, the NSS unit of University of Kashmir is ever ready at the beck and call of the community.

NSS University of Kashmir welcomes all the students to be part of this journey of change and development.

DEAN COLLEGE DEVELOPMENT COUNCIL

Professor Khursheed Ahmad Butt: Dean

The mission of the College Development Council (CDC) at University level was to facilitate effective implementation of development plans of University for quality improvement of colleges and other affiliated institutions. Given the exponential growth of Indian higher education system with fast increasing affiliated colleges, innovative teaching and learning methods, change in pedagogical perspectives as well as the challenges emerged out of socio-political and economic policies in relation to education, the CDCs are now turned to be vital forces that frame collegiate education policies aiming at inclusive quality education, in tune with national education policy. In 1980s University Grants Commission introduced the concept of College Development Council (CDC) with a vision to set up an effective interface between the UGC and the colleges affiliated to various universities under it.
