DEPARTMENT OF CHEMISTRY

A DST Assisted Department under FIST

Ref: KU2017-CHEM-DAA-ECRA-1

Dated: 07-09-2017

Advertisement for JRF position in SERB-Early career Research project at the Department of Chemistry

Applications on plain paper are invited from the eligible candidates for engagement as JRF in the project titled "*Crystal Engineering of the Pharmaceuticals: An Approach to Address the Solubility Limitation of Drugs*" sanctioned to Dr. Aijaz Ahmad Dar (inorganic) with a monthly salary of Rs. 25,000/- + 20% HRA=30,000/month for NET candidates or Rs 16,000/month for candidates without NET. The eligibility for this position is a post graduate degree in Chemical Sciences with minimum of 55% marks and the candidates with NET will be preferred over candidates without NET. The position is temporary and co-terminus with the project. The duration of the project is initially for a period of three years, and after successful completion of two years the selected candidate can be upgraded to SRF position. The candidate engaged in the project will not have any claim whatsoever for continuation of services in SERB-DST/University after completion/termination of the project. Interested candidates should send their application by hand/post/e-mail addressed to Principal Investigator along with their CV (indicating name, qualification, recent passport size photograph, age, working contact number and e-mail ID, etc.) and attested copies of all relevant documents so as to reach the under signed by **16-09-2017**. **The date and venue of interview will be announced to the shortlisted candidates through e-mail/contact numbers provided by applicants in their CVs.**

No TA/DA will be paid to the candidates appearing for the interview.
