

UNIVERSITY OF KASHMIR, SRINAGAR

Department of Nanotechnology

Date extended for JRF position

Due to the poor response for the CSIR funded JRF position, the last date for receiving the application is extended till **01-09-2021**.

The eligible candidates for a junior research fellowship in the project sanctioned to Dr. Faheem Arjamend with a monthly salary of Rs. 31,000/- +20% HRA=35,960/month are invited.

The candidate must possess a post-graduate degree in Nanotechnology with GATE or NET.

The position is purely temporary and co-terminus with the project. The duration of the fellowship is initially for this financial year but is extendable to another year as JRF. Subsequently, the position can be promoted to SRF after assessment by a committee. The candidate engaged in the project will not have any claim whatsoever to continue services in CSIR/University after the completion/termination of the project.

Interested candidates should send their application by hand/post/e-mail addressed to Principal Investigator along with their CV (indicating name, parentage, residence, marks percentage, recent passport size photograph, age, working contact number, etc.) and the self-attested copies of all relevant documents to reach in the office of Nanotechnology, University of Kashmir, Srinagar.

The interview date and venue will be communicated to eligible candidates through e-mail/contact numbers provided by applicants.

No TA/DA will be paid to the candidates appearing for the interview.
